In Texas, public school districts adopt curriculum standards set by the State Board of Education. Current standards, called Texas Essential Knowledge and Skills, outline what students should be able to learn and do in each course or degree. The curriculum is structured around the fundamentals of mathematics, science, social studies, linguistic arts, music and reading. We are making the task easier for you to compare Forestwood Middle School with the following schools under the jurisdiction of the Lewisville Isd. What are you doing here?
