From the bestselling author of Five Point Someone, One Night @ the Call Center, The Three Mistakes of My Life and 2 States comes another gripping story from the heart of India. Are you ready for the revolution? One Night at the Call Center: A NovelPress 1 for technical support. Press 2 for broken hearts. Press 3 if your life has crashed completely. . Six friends work nights at a call center in India, providing technical support for a large American appliance corporation. Skilled in patience and accent management—they help American consumers keep their lives going. But behind the headsets, everyone's heart is at stake. Shyam (Sam to his callers) has lost her confidence after being dumped by the girl who happens to be sitting next to him. Priyanka's domineering mother has arranged for her daughter's marriage to an Indian man in Seattle. Esha longs to be a model but discovers discovers a horizontal romp to the track. Lost, disgruntled Vroom has high ideals, but compromises them by talking on the phone to idiots every night. Traditional Radhika has just found out that her husband is sleeping with his secretary. And the military uncle (no one knows his real name) sits alone working online chat. They all try to make it through their shifts—and keep their wits—under the eagle's eye of a boss whose ego rivals his incompetence. But tonight is no ordinary night. Tonight is Thanksgiving in America: Appliances go erratic, and the phones ring off their hooks. Then a call, from a very special caller, changes everything. Chetan Bhagat's delicious romantic comedy takes us into the world of the International Call Centre, where cultural cross-threads come along with perfect patois, hilarity and spice. View PDF by: Chetan Bhagat Chetan Bhagat is the author of four blockbuster novels, Five Point Someone (2004), One Night @ the Call Center (2005), The 3 Mistakes of Life (2008) and 2 States (2009). All four books have been bestsellers since their release and have inspired great Bollywood films. The New York Times called Chetan the best-selling English-language author in Indian history. Seen more as a youth icon than just an author, this IITD or IIMA exam is making India read like never before. Time magazine named him one of the 100 most influential people in the world. Chetan also writes columns for leading English and Hindi newspapers, focusing on youth and national development based issues. Many o o o
