In the heart of historic San Antonio, TX, Trinity University is a private liberal arts college that first opened its doors in 1869. Trinity offers 49 large and 61 minors, as well as many postgraduate programs. The most popular fields of study for undergraduate students are business, social sciences and biological sciences. During their first semester at Trinity, all students must complete a course, known as First Year Experience, that aims to teach students oral and written communication skills. Students are taught in small groups that gather once a week for discussions, excursions, movies or lectures. All candidates are automatically considered for Trinity's numerous meritocratic scholarships, including those for achievements in specialized fields such as STEM or art. The Trinity Tower Scholarship awards full tuition to 20 high achieving students who apply for school as part of early decision or early action deadlines. Trinity has more than 100 student clubs and organizations, including 13 on-campus fraternities and sororities. Fifty-eight percent of Trinity students play indoor sports, club sports or do outdoor recreation programs, and the Trinity Tigers compete in Division III of the NCAA and the Southern College Athletic Conference. Alumni include billionaire Walmart heiress Alice Walton, who is also the founder of the Crystal Bridges Museum of American Arts, and KIND snack CEO Daniel Lubetzky....
