Since then, his outlets for developing this specialty have been writing for Investopedia, teaching at St. Stephen's University, and he recently started blogging at Medium.com on topics related to money and banking. Education Matthew received a bachelor's degree from St. Stephen's University and his Master in Economics at the New School of Social Research. A quote from Matthew Johnston's financial world may feel like an arcane and scary place for newcomers, but it's just another language that when presented to people in just the right way, don't have to be so scary. This is what I like to do, taking u darkness out of finance and helping people see that it's not just experts.
