Developed by Flazm, Bob the Robber is one of the most successful platformers of all time. In this original title you have to pull off daring robberies and walk away with huge rewards! In the game you will use stealth skills to climb ladders, sneak through guided walkways and even avoid security cameras. When you go against the treasure, you need to open door locks and avoid traps before escaping with the loot. Can you commit the perfect crime? Play bob the robber now on GamePix! Bob The Robber belongs to Adventure, and it is often associated with Escape Games. This game has received 2959 votes, 2606 positive and 353 negative and has an average score of 4.4. It is a game played in the landscape and it can be played on Desktop and Mobile on www.gamepix.com. On mobile devices it is also available on Google Play and Apple's App Store. This game has been published on 2019-12-22 and updated on 2020-05-26. Bob the Robber may wear a mask and a funny outfit, just like an ordinary superhero, but he's not exactly a darling of the audience. Let's just say his superpower is the kind that can get you in trouble if you get caught. If you didn't find out his name already, we're talking about the possibility of going into a heavily guarded area, taking the loot and getting out undetected. That's right, you're a robber! You've been practicing since you could go, and you finally have the chance to use your powers for good when a corrupt mayor takes hold of your beloved city. It's time to hurt this guy and his little minions where it really hurts - right in the wallet. How to play If you're going to take down this crooked mayor, you have to be sneaker and smarter than ever. In this game, you will work your way through his businesses, sneak in, make your way to the goal, steal it, and get out of there. This means you have to slink around in the shadows, tiptoe off his security, disable locks and lasers, and so on. Make sure you read any notes you can find because they contain door codes and other useful information. If you see a guard at the end of once, fast - to the shadows! You can hide in a shadow until they pass and then continue to walk towards the target. If you are seen, an alarm will go off. Too many alarms and you will lose the level! Just take the loot and get out - it's your mission. Bob the robber revoked It's hard enough to get in and without being seen by these eagle-eyed security personnel. You shouldn't weave your way around game blockers too! Fortunately, we have made sure that this Bob the Robber game is completely unblocked. This means you don't have to worry about game blockers at school or other government computers. Just play this game directly from a browser without downloads! We did it this way in the true spirit of one of our favorite heroes, Bob. After all, he can find a way around something, can't he? He's not just a robber, he's a rebel with a cause. We're just getting started Trust us, you'll have a lot to do with level after level of challenging gameplay in this Bob the Robber game. Each goal is tougher than the last, and just wait until you get to the surprise at the end! If you manage to save the city, but you still want the thrill of a cutthroat strategy game, don't worry. We have a whole category of strategy games for you to try out. You can also check out this game at Friv or Cool Math Games. Anyway, you have a lot to steal, or shall we say do, between all these games and the categories. We'll just give you one last piece of advice. Getting in is the easy part, but in Bob the Robber, it comes out in one piece that's much tougher! When you're done with this game, try the sequel: Bob the Robber 2.
