Seagle), and produced by Cartoon Network Studios. It takes place five years after Ben 10 and has a darker turn than its predecessor. The film premiered on Cartoon Network in the United States on April 18, 2008 and on Teletoon in Canada on September 6, 2008 and ended on March 26, 2010. The series was originally produced under the working title of Ben 10: Hero Generation. The series lasted a total of three seasons and forty-six episodes with the final episode airing on March 26, 2010. It has been nominated for four Emmy Awards, winning one for Outstanding Harmonies - Live Action and Animation. Plot Set five years after the end of the original series, Ben Tennyson, now a teenager, once again dons Omnitrix to protect earth and other parts of the universe from alien villain activity. Omnitrix itself, a wristwatch-shaped device, allows Ben to transform into many forms of aliens, thus inheriting the unique abilities of that alien race. Protagonist: Ben lists 10 Heroes benjamin Ben Tennyson (voiced by Yuri Lowenthal) At the age of fifteen, Ben fills the leadership role after Grandpa Max mysteriously disappears. The powerful Omnitrix has been re-calibrated, He visits a set of new alien heroes that are much more powerful and and stronger than those in the original series. Over the past five years, Ben has matured significantly and gained strength, leadership and wisdom. Gwendolyn Gwen Tennyson (voiced by Ashley Johnson) At the age of fifteen, Ben Gwen's cousin is much more skilled with her innate magical powers. She can create, control and manipulate magical energy that she can cast into different shapes and forms such as ropes and bridges, solid bullets and shields, and step stones to quickly pass through dangerous areas. She's not nearly as fiery or hot-tempered as in the original series, and she shows a more caring and caring attitude towards her cousin. Kevin Levin (voiced by Greg Cipes) An old enemy of Ben, Kevin now works as an alien technology agent. He is accidentally implicated in the highbreed conspiracy and joins Ben out of a desire to make up for his actions. He is capable of absorbing the properties of any solid matter he touches - like stone or steel - that give him greater strength and protection in battle. Julie Yamamoto (voiced by Vyvan Pham) Julie is Ben's lover and girlfriend. She enjoys tennis, eating chili chips, and taking care of her pet, Ship (an alien Galvanic Mechomorph found by her and Ben). Max Tennyson (voiced by Paul Eiding) Max is a semi-retired member of plumbers - an inters planetary law enforcement group - and grandfather of Ben and Gwen. He disappears while investigating the Highbreed conspiracy, leaving only a few confusing messages for Ben to find. He is briefly reunited with his grandchildren in Max Out but sacrifices himself to destroy a Highbreed plant at the end of the episode (transporting himself to the Null Void). In Voided, Ben and Max reunite in Null Void, and he promises Ben that he will be back soon. He eventually returned in the show's second season-end episode to assist Ben in the final attack against Highbreed. Villain Main Article: Ben's list of 10 highbreed villains The Highbreed believes himself to be the purest and most powerful of all species and intends to cleanse the galaxy of less pure lower life forms. It was later revealed that they had died, had become sterile and susceptible to disease due to heavy inbreeding and that they intended to destroy the rest of the universe. DNAliens These hybrids between humans and xenocytes are highbreed alien drones. The DNAliens can disguise themselves as humans using special identification masks called ID Masks. [1] The Forever Knights A semi-military organization that has worked undercover since its inception in the Middle Ages, Forever Knights steals and then exchanges alien technology with anyone willing to pay a large amount of money. [1] Vilgax (voiced by James Remar) One of the formidable enemies By Ben from the original series, Vilgax is an alien warman set on conquering the universe. His desire is to have Ben's ben's and use it to continue his goals. Despite not being present for the first two seasons, he returned in the third season with new powers and abilities. He lost to Ben in Vengeance of Vilgax and was expelled from Earth, although he vowed revenge. Keeping his promise, Vilgax returns in The Final Battle episode to buy Omnitrix and destroy Ben, but is unsuccessful. [2] Albedo (voiced by Yuri Lowenthal) Albedo is a young and arrogant galvan. A former assistant to Azmuth, author of Omnitrix, Albedo requested an Omnitrix of his own. When Azmuth refused, Albedo built alone of inferior quality and synchronized it to work exactly like Ben's. However, instead of being able to control the transformations on his own, because Ben's device is the default, Albedo has been transformed into a copy of Ben, even developing many of Ben's habits, which he says are completely disgusting. Albedo's goal is to steal Ben's Omnitrix so he can unomede the human transformation and return to his original form. The Ben 10: Alien Force theme is set five years after the original series. The second series is quite different from the first: the plot is notable for having matured characters and has darker tones with more complex storylines, more dead characters and much less humor. The original logo changed from the original series. The change received mixed reactions from fans, and caused a split between them. [to quote] Despite this, Ben's 10: Alien Force ratings were successful, allowing the production of Ben 10: Ultimate Alien, which took place a year later. Omnitrix main article development: Ben 10 Alien List When the Omnitrix was re-calibrated, it gained a more watch-style shape, a green bracelet, and became smaller and sleeker with the face plate becoming black and green. Inside the hourglass shape on the face now glows in different colors at special moments; these colors show the state in which Omnitrix is located. The display mode of the face-printed alien black shadow has been replaced by a dark blue 3D homing suspended above the watch, which gives a more detailed view of the chosen alien. The new Omnitrix also functions as a plumber's badge used in this series as a communication person, another Plumber's badge detector, an alien language translator and as a key to extranet access, an internet between galaxies. In Ben 10, the reason Azmuth invented Omnitrix was for all the creatures of the universe to better understand each other. It was revealed in Ben 10: Alien Force that there is another reason for creating Omnitrix. Azmuth tells Ben that Omnitrix was invented to preserve the DNA of all sentbies in the Milky Way and restore them if they are Main episode article: Ben List 10: Alien Force episode SeasonEpisodesFirst airedLast airedLast Media DVD releases Region 1 releases DVD title Season Aspect ratio Release date 2008 Ben 10: Alien Force Volume 2 January 13, 2009 Ben 10: Alien Force Volume 3 April 2009 Ben 10: Alien Force Volume 4 Season Two 16:9 September 1, 2009 Ben 10: Alien Force Volume 6 March 30, 2010 Ben 10: Alien Force Volume 7 Season Three June 29, 2010 Ben 10: Alien Force Volume 8 August 24, 2010 Ben 10: Alien Force Volume 9 October 5, 2010 Region 4 releases DVD title Aspect Ratio Release date Ben 10 : Alien Force - Season 1 4:3 June 1, 2011 Ben 10 : Alien Force - Season 2 Ben 10: Alien Force - Season 3 Ben 10: Alien Swarm Main article: Ben 10: Alien Swarm Ben 10: Alien Swarm is a live-action film based on the series, announced by Cartoon Network at their 2008 pre-release.
