Contact us Contact Last Updated on June 20, 2018 By now you've probably seen them somewhere. The Popin Cookin Candy. The famous Japanese sweets produced by Kracie. If you haven't seen them yet, basically they're a simple, step by step candy to make, a Do It Yourself kind of candy. You have needed all the ingredients in the packaging to make the candy and you just need to mix them together and give them the desired shape to create the final candy. A fun experience! The development of the company Kracie is quite broad, starting in 1887 and still active to this day. Kracie went from manufacturing cotton clothing to a company with three departments: cosmetics, pharmaceuticals and food. Of course, Popin' Cookin' can be found under the company's food section. The most famous DIY candy from Popin Cookin must be the DIY sushi candy set. Take a look at the creation process of the sushi version here. Japanese candies are always full of crazy surprises and these sweets are no exception. They are a lot of fun ways to put them together and the final reward (the last candy) is also worth it! You can buy it here on 99japan (international delivery): We've tracked down the most popular versions of Popin Cookin and here they're in no particular order: this is probably the most famous Popin Cookin, the sushi box, I'm sure you've seen them on a picture or on Youtube.
