ID Information Dwarf Find I Merchandise ID - 96 Sell Price Dwarf Find I Item Value - 1 If you find out here what is dwarf scroll I entry id Stardew valley game, so you're in the right place. ID code - [96] Cheats below are available on all game platforms that include PC/Mac, PS4, Xbox One and Nintendo Switch. To spawn items like dwarf scroll in the I Stardew Valley instead of using console commands, the secret in-game cheat can be used. Points can be spawned using one of the two available methods listed below. Spawn dwarf Find I'm using Animal Name to spawn a dwarf Scroll I item, using the animal name, travel to the northeastern region of Cindersap Forest and find Marnie's Ranch, then talk to Marnie and buy any animal (chicken is the best at this cheapest price). Name the animals [96] and press OK. The dwarf Scroll I entry should be purchased. Spawn Dwarf Scroll I Using Character Name Use this method, at the beginning of the game, create your character as usual, then name your character [96] and press OK to save. In the game, approach and talk to every villager, if the villager in the dialogue mentions his name, which is now set [96], you can dwarf scroll I entry on your list. Note that your character name can only be specified once at the beginning of the game (when you create a world in the game) and you will not be able to change the character name later in the game. However, pc / mac versions of the game, there is a solution to rename your character, manually editing the game to save files. If you want to learn more about how to manually change the game to save files, check out our guide on how to change your name to Stardew Valley. If you're not sure about manually editing game files or playing Stardew Valley on platforms other than PC/Mac, we recommend that you use the first method listed above. Wiki says to get it to the first 40 levels of the mine. But I've spent days and days in the game grinding over that hoping to get that drop, and it's not. Is this the right location? Do I miss something? Am I just terrible luck? I'm halfway through Winter, hit lvl 120 mines somewhere in early summer and spend a lot of time in the above listed area trying to fall. Note: It is only used to report spam, advertising, and problematic (harassment, fighting, or rude) posts. Take the rest, but you never got a 1. I have tried to farming green slime for high happiness days, but have not had success. Page 2 of 5 Comments
