Sycamore canyon campground prices

Point Mugu State Park Campgrounds are located along the south coast of Ventura County, close to many popular beaches. Sycamore Canyon Campground is the most popular of the two campsites in the park. The campsites are located inland, just a 3-minute walk from Sycamore Cove Beach. County Line Beach is nearby, and the busy Zuma Beach is just a few minutes' drive south. Sycamore Canyon Campground has 31 campsites for motorhomes, caravans and tents. Hike & Bike Site and La Jolla Group campsite are located in the campsite. Point Mugu State Park Campsites include a second campsite - Thornhill Broome Campground. Thornhill Broome's 62 primitive campsites are in a row along the edge of the beach. It can become very windy there. It features water, picnic tables, fire fighting rings and portable toilets. Thornhill Broome Beach, one of the two Point Mugu State Park Campgrounds Opening and closing dates for campsites are only estimates, usually depending on weather conditions. Not all campsites can accommodate trailers or RV of all lengths. If you are using the booking page, make sure that your vehicles fit in the campsite parking lot. Camping DescriptionBoasting 58 campsites beautifully shaded by sycamores in the conveniently and aptly named Sycamore Canyon campsite (ha), offers many places with large yards to places sheltered among flora. The parties are a bit close together and this campsite is definitely known as one of the more social spaces, but that's what camping is, right? The site is within walking distance of the beach and is not extreme in the desert sense, but it is still great. The campsite is also known for the cleanliness and availability of all amenities, and the site even sells extra firewood if you like. Finally, the campsite has direct access to the beach and hiking, so you never have to get in the car! Offered near the campsite.
