Thirty one hostess rewards

Hosting a Thirty-One party is fun and easy! I offer exclusive Facebook parties and text messages, and I love partnering with my hosts to make your event a huge success. You invite the guests and I'll do the rest. Contact me today to book your party online! Here's what to expect when you throw a Thirty-One Facebook party with me. I'm going to create an exclusive Facebook group, and you'll add your friends and family to the group (I'll even give you the words to say when you invite!). Then sit back and relax. I'll post some highlights and some live videos to show you and your guests my best favorite products, monthly specials and answer questions. It's fast, easy, and everyone can see and interact from the comfort of their home. We will close the party a few days later, and then you get to go shopping! When you host a party, you can win free, discounted, and exclusive items based on your group's sales. The more you share, the more benefits you'll receive! Just look at our rewards chart below. In addition, there are some exclusive hostess items that you will be able to buy at a deep discount or win for free! After the party, orders will arrive in about 2-3 weeks. If your guest chooses direct shipping, the order will be shipped immediately, even before the party closes! I will stick with you to make sure everything comes well, and you can enjoy all your products for free! I'd be honored to partner with you. Contact me today to book your party online! P.S.
