## Azulejo textbook pdf

Azulejo's standard-based curriculum, at the same time emphasising context and themes, introduces students to high-level critical thinking as it prepares them for success in the AP® Spanish Literature and Culture Course. Azulejo is divided into units that progress chronologically but are organized along a common thread. The chronological approach allows students to study and appreciate the historical context in which the work was written, how writers view, engage and influence their world. Azulejo contains each text from 2012-2013 AP® Spanish Literature and Culture reading list. Student EditionAzulejo explores every integration of theme and organizing concept introduced in ® AP Web series. Each unit opens with the study of relevant literary-historical information, introduces authors and literature, and concludes with comparative questions. The new edition includes significantly extensive introduction and analysis sections of all authors, with special attention to certain texts that many teachers considered particularly challenging for students.
