For more information > Music Therapy: The use of music enhances our lives as a means of teaching, celebrating and expressing ourselves and has been in place for thousands of years. Even if people are no longer conscious or speaking, we can comfort and comfort them with music. For more information > we honor veterans This program is designed to show respect and thank our country's veterans and honor their wishes at the end of life. It was developed as a collaboration between the National Mitigation Care Organization and the Department of Veterans Affairs. As a second-level partner, we: 1. Provide veterans-centered education for staff and volunteers, and identify patients with 2 military experience. Building organizational capacity to provide quality care to Seasons veterans believes that each resident is an expert in their own care, and deserves a hospice that understands their culture, faith or background. Hillsborough Seasons is now SAGE Platinum certified, because we recognize the importance of having the cultural capacity to serve the needs of the LGBTQ community in Hillsborough County, among many others. Medicare, Medicaid and the majority of private insurance plans have hospice benefits that cover hospice care-related costs. If you do not see your insurance provider below, please contact us. In many cases, Seasons can advocate for our patients and safety insurance on a case-by-case basis. Our team can help you navigate this process and will keep you informed every step of the way.
