Plain tee shirts for toddlers

If you have a dress shirt that's on the way out, or seen better days, you can transform it into a beautiful dress for a toddler or little kid with just a few steps. This video shows you how. All you need is about 20 minutes, a men's dress shirt you can do without, a sewing machine, and some ribbon. The dresser's straps will be made of the ribbon, so you don't need to include those when cutting the fabric. Cut the dress out of the shirt, using the buttons as a marker for the middle of the dress. Sew the fabric around the neckline of the dress so that it forms a loop you can feed the ribbon by later. Sew together the edges of the dress and hem the bottom. Your last step is to use a safety pin to thread the ribbon through the loops at the neckline so that their ties form. Either make a bow with the tips of the ribbon or sew them together if you're worried your toddler can undo the bow. You'd end up wearing a cute dress that was cheap and quick to make. How to make a beautiful dress from a men's shirt | FunandEasySewing wCarmen (YouTube) New Kylie Shop merch rolls out daily, but her latest item may yet be the best one. Kylie Jenner created a talent t-shirt in the most fashionable way possible. It may be simple, but the meaning behind it is great. When can you buy the Kylie Shop's talent shirt? Get those credit cards ready because the launch date comes up quickly. Jenner has a variety of different mercy on the market. Some of the items have her face plastered over them, while others are a little more designer-like. My personal favorites are the ones poking fun at herself. The first time she did it was with her like, realizing things shirt. The 19-year-old said the phrase at the beginning of 2016 and then ended the year with the same quote. Now she's taking what haters say about her and doing the same thing. If you're looking to stock up on the style, I have some great news. According to Instagram, the talent teeth will be available in the next Kylie Shop restock. Set those alarms for Feb. 14 at 5 p..m. ET. Jenner's second clothing line could only be even bigger than her first. Especially with this punny tea included. At first glance, the shirt is just a raw edge, black shirt with the word talent on it. However, according to the caption, it's not just your typical teeth. The Instagram photo says who's to say you have no TALENT? with a side-eye emoji next to it. How's that for a clever rebuke? Jenner has her own makeup empire and is a force to be reckoned with in the fashion world as well. She has her own Kendall + Kylie line with her sister, their PacSun line, and, of course, has her Kylie Shop merch as well. Her latest shirt proves that she sees all the haters out there, but won't let them get to her. If the photo's comment sections are anything say about the new it's sure to be a bestseller. Start saving now because, just like the first launch, these teeth won't be forever. Now take the t-shirt, lay it flat, and smooth it out. Take a shirt that already suits your child, and lay it on top, lining up on the top sews of the shirts. If the shirt you use as a pattern flares out at the bottom, adjust it so it goes straight down. Now cut straight over, about 1/2 inches down from the bottom of the patterned shirt. This piece will be your skirt. You can make it shorter if you want, but leave the final edge on bottom alone. Cut along the rest of the shirt and leave about 1/2 for seam allowance.
