Spartacus blood and sand cast change

If you watch Blue Bloods every week, one thing you'll probably notice is how close the characters seem. Are they really what to close the camera? Are the cast of Friends Blue Bloods? Here's what Showbiz crib knows about how well the cast gets along. Donnie Wahlberg loves to dance and have fun on the set of The Blue Bloods, shed on the set of The Talk | Heather Wines / CBS via Getty Images Donnie Wahlberg likes to have fun when he's at work. As you probably know, Wahlberg is a member of New Kids on the Block, so he used to dance and put on a show. Therefore, perhaps it is not very surprising that the actor decided to hold regular dance parties on the Blue Bloods, set a few years ago. In his interview with CBS Watch! co-star Bridet Moynahan talked about dance parties. He used to host a disco evening on Friday, Moynahan said. Wahlberg reiterated his statement, saying the disco included a disco ball. We used to have a disco Friday on the pad with an actual disco ball and we'll be dancing and partying down in the squad room, Wahlberg said. Who is the best dancer? Vanessa Ray says Will Estes is dancing pretty well. You used to have pretty sick moves, Ray said. The Blue Bloods team is working hard, so this activity was probably a way for the cast and crew to relax after a long week of filming. Let's look at Wahlberg's dancing during one of their discos. Bridet Moynahan says the cast of Blue Bloods grew over the years During a BUILD series interview, Bridet Moynahan reflected on her work as Erin Reagan on Blue Bloods. She told the presenter she had become close to her co-star and even saw some of them grow up. Everyone's on the cast, we've just become like a family. We really got into this relationship easily and we've just grown up with each other for the last 10 years. I wonder if it wasn't that easy for us and the drama less outside of work if it would last that long. But because we are so easy with each other and support each other, it just spills into the work, Moynahan said. Chemistry among the cast was almost immediate for Bridget Moynahan Will Estes, Donnie Wahlberg, Brigen Moynahan and Tom Selleck Blue Bloods | Jim Spellman/WireImage Moynahan told the Access Hollywood hosts that she contacted her co-stars almost immediately. She said there had been a connection from day one when they started filming the show. You kind of subscribe to something and you don't know what legs it's going to have and you're signing up with people you don't know. And we, from day one, settled into the family atmosphere, and it stayed that way, and we were really lucky with the cast. Are the cast of Friends Blue Bloods? Blue Bloods Family Dinner | John Paul Filo / CBS via Getty Images According to Wahlberg, warehouse warehouse One of his close friends is Moynahan, who he says has become like a sister. Although the cast is friendly, they have become more like family than friends, the actor says. During an interview with Kelly Ripa and Ryan Seacrest, Ripa said the Blue Bloods seem brand new every season, even though the series has been on the air for years. It does, and it went so fast, Wahlberg said. It probably goes so fast because the cast is so wonderful. We're all friendly. We have a real dynamic, like a real family. Bridet Moynahan is like my sister and my confidant, and we are very close friends. And Will Estes is an amazing actor, he's like my little brother. And, of course, Tom Selleck is like our dad. The cast of Blue Bloods looks very close on screen playing the Reagan family. They spend a lot of time together, especially when filming these family dinner scenes, but they don't really hang out together when they're not filming. Why don't they hang out and what do they tinge to during the break between season 9 and 10? Here's everything you need to know. Donnie Wahlberg touring with New Kids On The Block during the break The performer kept fans updated on Instagram during a break from the Blue Bloods. He is currently on tour with New Kids On The Block. He shared snaps on stage, backstage and with his wife Jenny McCarthy. The band recently released a clip for 80s Baby. Wahlberg worked with Kaygee naughty By Nature to create the song. Cagey played me tracks, I was inspired, started writing, he told People. But when he played what has now become '80s Baby', I heard it and I just wanted to write to him immediately. And then put it in front of the audience, there's nothing like that. Vanessa Ray seems to be having a quieter summer. A snapshot she posted to Instagram celebrating the wedding with friends. The actress also posted a photo of her looking completely packed for some trip and another photo of her giggling by the pool. Fans may be a little disappointed to know that Rhe's chances of spending time with Estes outside work are low. Eddie and Jamie married at the end of Season 9, but Ray is married in real life to Landon Beard. Ray and Estes have been good friends from playing police partners and lovers for years. However, they do not hang out of work and Estes gave a good reason for this. Will Estes said they spend so much time together working that they don't hang out with Will Estes, Vanessa Ray, Brigen Moynahan on Blue Bloods | John Paul Filo / CBS via Getty Images Most actors play a tight family together so fans can know if they spend time together in real life. The answer is no, but Will Estes has a good reason. People ask if we hang out of work and we're always like: Not really, but we spend so much time working together and we get along so well! Estes told Taylor magazine. We're great friends. When Saturday comes around we don't usually call each other to hang out, but we get along perfectly, we're like family. Then he said: Many of the cast and crew spend more time with each other than they do with their real families. It's very full-time you know 99.99% we all get along. It was nice. The good news is that the Blue Bloods will be returning for season 10 because the cast loves working together. Fans will have to wait for an announcement about when the season premiere will take place. CBS Photo Archive/Getty Images The long-running fictional CBS crime series has been known for its impressive ratings Friday night for years. With Season 9 returning this fall, it seems likely the procedural police drama will continue its streak of success. The new season will bring back most of the usual cast, with one notable face missing: Linda, played by Amy Carlson.
