## Woodland high school football schedule dorchester sc

Jostens Ring Night will be February 25 at 6.30pm in Woodland. Students must choose a Woodland Teacher/Officer to present their class ring that night. Students will give this flyer to their host as soon as possible. The presenter will prepare a short speech and read it at the ceremony. It's a tradition that was started last year and we look forward to continuing it this year! Congratulations to Gabriele Montuori (accepted to Yale University) and Lavelle Davis (accepted to the University of Virginia). They are pictured with Chief White, Superintendent Dr. Wemb and Athletic Director Coach Siebert. Elderly! Bring your letters asking Mr Lakin to post them on Woodland's social media. This includes colleges, military and careers! Let's start celebrating the future! From Wolverine to Cavalier! Congratulations to wide receiver Lavel Davis on signing with the University of Virginia to play football. Davis signed a letter of intent in front of an audience filled with family, friends, former teammates, and Woodland faculty and staff on December 18, 2019.
