2nd anniversary gifts

editors independently research, test and recommend the best products; you can find out more about our review process here. We may receive commissions for purchases from our chosen links. If you're celebrating 15 years of marriage, first of all, congratulations! You've probably experienced the ups, downs and everything in between since your wedding day, and now it's time to honor that journey. The traditional gift for the 15th anniversary is crystal, a durable material that symbolizes the lightness, clarity and durability of your love. A modern gift is considered a watch or another watch, representing the many hours and minutes you spent together, as well as the years to come. However, while we certainly love the theme, you don't necessarily stick to one of these two categories. This anniversary can also be an opportunity to surprise your spouse with something completely unique, personalized or tailored to their interests. To help, we've rounded up our favorite products that are sure to delight, from traditional and modern to customized and unexpected. Read on for the best 15th anniversary gifts. This personalized wall clock talks about the modern theme of the watch and is something the whole family can enjoy. Engraved with your last name or sweet message, it's a gift that will surely withstand the test of time (intended for puns!). Bring out that good bottle of champagne and pair it with these stunning crystal flutes. The delicate design has an eternal flame, a poignant reminder of your eternal love. You've probably seen constellation maps capturing star positions above any location on a given day. This one is especially suitable for the 15th anniversary, thanks to the use of Swarovski crystals. Approximately 400 of them are used to reflect the stellar location of the wedding date and location, or any other moment that is significant to both of you. Can't decide whether you should take the traditional (crystal) or modern (clock) route? Here's an easy way to combine both. This classic stainless steel watch has stunning crystal and pearl details for an extra sparkle. Make your crystal anniversary gift much more personal. This heart-shaped memory comes laser-etched with your favorite photo and custom text. Available in three different sizes in three different sizes, it's a thoughtful gift that's also very affordable. This delicate crystal necklace is one that will be worn over and over again, both for everyday activities and fancy dates. It comes in 6 different colors and a selection of sizes and is fully adjustable. Here is a new and different view of the modern theme of the watch. This aluminum watch is a handmade gift that is completely unique - and can also be displayed indoors or outdoors, while this artist offers several different versions, though some come complete with text on the occasion of the 15th anniversary of the 1990s. Courtney of Artful Uprising offers a personalized gift that has a special meaning for you and your spouse. The 15th anniversary is a time to reflect on the journey you've taken together, and this watch is a perfect way to do so. The watch is a custom message on the jar itself, ensuring that it remains a memento long after you have burned it. This ingenious apparatus is in general the next best thing to have a personal chef in your home. Yes, it's a smart oven on the worktop, but it's also a meal service that delivers dishes prepared from the chef. All you have to do is scan the QR code on each dish and put it in the oven - it's so simple.
