Why Poland? Poland is an exciting country that serves as the geographical and cultural crossroads of Eastern and Western Europe. Located in the center of the northern European plain, Poland has been a nation of survivors since the founding of the first Polish state over 1000 years ago. Through its turbulent history, its people have managed to maintain their identity, and today, the country enjoys a critical position as the largest of the former eastern European states and the most densely populated new member of the European Union. Wages are rising systematically, so many Polish students are choosing paid studies and starting to work. Although the permit to work in Poland depends on your country of origin. Citizens of the countries of the European Union and the EEA (Switzerland, Iceland, Norway and Liechtenstein) are eligible to work in Poland without a work permit. Why choose Poland? Polish education system provides high quality services. This is demonstrated by the success of Polish professionals working around the world, lauded as perfectly trained, creative and effective. Studies in Poland cost much less than in most European countries, and the cost of living is much lower. Do I have to speak Polish? There are English courses available for international students, so you don't have to speak Polish. If you prefer to study in Polish you should graduate from a Polish course before you start studying. The courses are organised at various Polish universities. How do I find a course I'm interested in? You just need to use the search engine of our website. 22 Universities and hundreds of courses are available, so it's easy to find a course, regardless of the subject of your choice. What are the tuition fees in Polish institutions? The minimum tuition fees are 2000 - 4000 euros per year. Although, universities can set a higher amount for specific courses, so you will need to verify the cost of studying at the University of your choice. What are the living expenses in Poland? Living costs in Poland are much lower than in most EU countries. The amount of EUR 200-400 should cover the monthly costs of accommodation, food and transport. Is Poland safe? Poland is a safe country. According to statistics, it is one of the safest within the EU. Nevertheless, preventive behavior is necessary as anywhere in the world. Is health insurance necessary? yes, you need to get a health insurance policy. If you are an EU/EEA citizen, you must European health insurance card in your country. If you are not an EU/EEA citizen you will need to obtain an insurance policy at the Polish National Health Fund. Cost estimates range from PLN 36 to 279, depending on a number of internal procedures included. Health insurance is necessary to legalize your stay in Poland. International Office of the University of Your Choice will help help to find a place in a student's dorm. If no place is available, or if you prefer to live off you, you can find housing in the private market. There are many possibilities, such as room rental, apartment sharing or apartment rental. Most universities have their own residence databases, connecting students with homeowners for free. In real estate agencies it is necessary to pay a fee (usually equivalent to a monthly rent). How can I legalise my stay in Poland? If you are an EU/EEA citizen you do not need a visa to travel to Poland. You simply need to register your stay at the local Voivodatos Office within 91 days of the date of crossing the Polish border. Citizens of other countries must apply for a long-term visa or residence permit at a local Polish consulate. All international students must obtain a temporary residence certificate at the Population Registry Office of the local Municipal Service. This must be done within 3 days of the date of crossing the Polish border. Are there scholarships available? Scholarships are available for students of proven Polish descent, as well as for students from Belarus who are subject to political repression. It is necessary to apply for a scholarship to a Polish consulate in your country of origin. Consulates shall provide all necessary information. Other scholarship offers may be available at some universities. You should check it out in a course search engine and at the university's international student office of your choice. How to apply To apply for a selected curriculum starting in October for the winter semester and February for the spring semester, a candidate should contact directly the admissions office of the selected University via e-mail (phone/fax) or through one of the recruitment offices abroad. In case a candidate needs a visa to stay and study in the territory of the European Union, he or she must apply for a selected programme sufficiently early so that the decision on issuing a visa is taken before the autumn/spring semester begins. ##General Admission Requirements## In general, the requirements for international students applying for universities in Poland are as follows: Admission information for BA or BSC (Bachelors) Candidates: Contracted secondary school certificate or official copy issued by the candidate's high school, completed application form, 4 passport size photos, copy of candidate's ID (passport), English language certificate optional (unless courses were taught in English) medical certificate without contraindication for the study, proof of payment of entrance fees. Admission information for MA (Master) candidates: Undergraduate program diploma or official copy issued by the university, the candidate's CV with details about school and professional careers optionally, an academic report and a personal report out the application form, 4 size passport photos, copy of the candidate's ID (passport), proof of English proficiency (unless the first degree was taught in English), medical certificate without contraindication for the study, proof of payment entry fee. However, a candidate may also be asked to submit: A symbolic secondary school certificate or an official copy issued by the candidate's high school (when applying for a master's degree), a supplement to the undergraduate diploma program or a copy of the bachelor's thesis, and other documents **, since some universities have additional various admission requirements, it is advisable to contact selected University before submitting your application! Important Note If a candidate needs a visa to stay and study in the territory of the European Union, he or she must apply for a selected programme sufficiently early; so that the decision on issuing visas is made before the autumn/spring semester begins.##Poland University Directory## Academy of Fine Arts at PoznanAdam Mickiewicz University of Science and TechnologyAndrzej Frycz Modrzewski Krakow University Bronislaw Markiewicz State School Higher Vocational Education In JaroslawCard the University of Warsaw Stefan WyszyńskiCracow University of EconomicsKracou University of TechnologyCzystochowa University of TechnologyEugeniusz Piasecki University of Physical Education at PoznanGdansk University of TechnologyOgelonic University of Kazimierz Wierki Universitykielce University of Technology University of KokzinskiOlski UniversityMaria Curie-Sklodowska UniversityMaria Grzegorzewska Academy of Special Educational University of LodzMedical University of Technology LublinOpole University of TechnologyPoznan University of EconomicsPoznan University of Medical SciencesPoznan University of TechnologyP Akade my of the Humanist Technical University of LodzUniversity of Silesia at KatowiceUniversity of Georgia in KrakowUniversity of Economics and Computer Science in WarsawUniversity at KatowiceUniversity of LodzUniversity of Warmia and Mazure in OlsztynUniversity of WarsawOnoponicity of the School of Physical Education of WroclawWarsaw School of EconomicsWarsaw School of Social Sciences and Humanities (SWPS)University of Warsaw od Life Sciences - SGGW (WULS - SGGW)University of TechnologyWroclaw Medical University Wroclaw University of Technology Wroclaw For more details visit portal of Education For updates look at our FACEBOOK PAGE.
