Kalasakamadayyum (2014) Easy (JDU/Now) 1 Every (Classic) 2 (Tehsil Up) February Anlokabali (Dance Only 2014 P1: YellowP2: MagentaP3: GreenP4 Light Purple Light Green (Classic) Purple (Tehsil Up) Ghostboosters (Classic) ghostbusters_mashup By Ghost-boosters Ray Parker, Junior. Dance 2014 only, is featured only on dance, and only an unlimited dance. It is also available in kids mode. The dancer's appearance features the characters from the Kochs film Ghostboosters. The first three coaches have a red proton pack with black parts made in their backs, steel blue jumpsat with ghostbusters logo in their right shoulder portion, yellow name tags, two pockets in the sine area , and connected to the patta pack like a yellow. They were also wearing yellow, red-tinted protective pads and black shoes. They are all surrounded by a steel blue line with p4 discounts, which is surrounded by a green glow ghostly outline. P1 P1 is Dr Peter Wankumhan. Her hair is black and short. She has red intricate glasses, which is comfortable on her head. Their jumpsout is partially closed, exposing the upper parts of their undershift, and their left is a black watch in the clip. P2 P2 is Dr. Egon SP. His hair is black and is styled as a cleansing-class large herd, which has a long volume. He has a gosa too. They wear glasses with red frames. Their joampsuat is open, their undershift reveal. He said a spall bandan is bonded in his left thigh, just above his knee. They also have a black watch in their left clip. P3 P3 is Dr. Raymond Ray Stotz. Her hair is black and style in an African. His arms, unlike others, covers the rest of his weapons, leaving only his hands exposed. Their joampsout is almost closed, barely exposing these undershift. P4 P4 is a loter. He is a ghost in the form of a scatter and a symperation. He has a wide-gauge mouth full of mental teeth and a tongue of peach with peach-colored beaded. His eyes are also peach colors. He has no legs and no float from the ground. He has a purple samein in his right hand, representing his gloves. At one point in the routine, the P4 will capture the other three coaches, who will get a green overlay effect in their colors and glow the green ghostly exit. Before the next pre-course starts, the affected coaches will get their original color and style back. Background routine takes place at night. There is a wet purple and white mist around, and there is a blurry circle in the sky. There is a home outline from time. The stay Puft Marshami man also appears during normal. Gold Is Classic There is 1 Gold Transfer for every coach in this routine: Gold Move: This is a left to right wave gold transfer: P1: Your gun shows. P2: Swirl your gun around each other, and then Raise it up. P3: Step and immediately shoot your gun left and right. P4: Point up and down. Tehsil has 2 gold tricks: Grow Gold 1: Knee on your right leg and make a circle with your right arm (Crazy Christmas) Gold Move 2: Put your hands on your legs and move your body. The Dastorba Tehsil is A Ghost-basters which can be disabled in the month of February. Dancer Dance Quests Ghostboosters appears in the following dance quest map: The playlists include The Ghostboosters among the following playlists: Dance Only Dance 2019 Only Dance Now Jack-a-Dankan's Maheb Dance List! Halloween songs in romans and winter, songs all children's songs, songs F-J only dance halloween songs with unlimited Romans and cold, songs Qavartitis Unlimited F-J only dance 2014 the most important series of the tavej classic Ghostsisters and Prince Ali are the first two routines with characters as coaches from movies or television series. The first routine is to have a ghostboosters a paying dancer that does not have any legs. As an unknown date, only some new pictograms in dance 2016 style have been added to the gold initiative part. P4's costume is actually blue in real life, not to make it blend with green screen. If an Xbox pays as P4 on 360/1 or PlayStation 4 (camera), then they still need to move to score points like other dancers, although P4 could not find any legs. During the development, the P4's color scheme was a little black. This beta element can be seen in kids mode trailer and just dance. The Ghostboosters was officially announced before only dancing can be seen in the 2014 announcement trailer. P1 and P4's avatars are only present in dance 2014 but do not appear in the game for availability (according to P1, P2, and Prince Ali's P4). There is also an unused avatar of a bedsheet ghost, which reflects bowling pin. Dance only 2014 and dance now, take Gold to P1 and P3 to three to four seconds too early. This was decided after the addition of the latest pictograms. Just for dance unlimited dance in the 2018 trailer only, pictogram bar is affected by a glitch: when a pictogram gets to the end, then there is another random glow before correctly eliminating it. [2] This glitch can also be seen for many preview sing-only dance sins in Gamplus 2018, as well as some just dance presents now. When the end of the persinator is persinated, some pictograms are missing.
