In recent series episodes, the role of Jang Geun So, who is the second son of Jangga Co., played by actor Kim Dong Hee, has become the new villain of the story - as he tries to inherit his father's company and take down the role of Park Saeroyi, played by actor Park Seo Joon. Unfortunately, when Jang Geun became such a bad guy, some viewers found the acting Believe. Your browser doesn't support video. Criticized for acting is hardly convincing and so subpar that it breaks the flow of the show as well. Your browser doesn't support video. Some have even called out that Kim Dong Hee's acting skills have never been impressive even in her previous work, Sky Castle. With just a few episodes to go, viewers hope that Kim Dong Hee will be able to soon overcome that weak portrayal of the role and really come to embrace the character's good-boy-gone-bad vibe. On You Quiz on the Block, Itaewon Class star Kim Dong-hee spoke candidly about how her mother had been through a lot as a single parent and sacrificed everything for her 21-year-old son. Kim Dong-hee admits she has a heart aching that her mother has to go through a lot as a single parent. One of the 2020 breakout K-drama stars is undoubtedly Kim Dong-hee, who not only starred as Jang Geun-soo, the good guy turned bad in one of the best dramas this year, Itaewon's class, but also impressed many with his lead act like Oh Ji-soo in the wildly entertaining Extracurricular. We've also seen the 21-year-old actor impress us with his roles in Sky Castle and A-Teen. Dong-hee, who celebrated her birthday on June 13, recently appeared on the South Korean variete program You Quiz on the Block. When Asked how Yoo Jae-suk would describe himself as a person, Dong-hee revealed that he had a strong stubborn tendency to try to change. It's hard for the actor to say that he had a smooth trip in life like there was never a time when it wasn't hard for him. Moreover, Dong-hee also highlights what it's like to live with a single parent and the hardships her mother has faced to make her son successful in life. I wanted to talk about this at some point. It's just me and my mom. He's been through a lot raising me on his own. He's very young. When I think about it now, my heart hurts. He didn't get a chance to do much. He sacrificed everything for me, and I don't think his health is what he was anymore. I want to give you your youth back. I want to be with him for a long time, Dong-hee admitted.
