23 JUN Proclaim freedom throughout the Land to all inhabitants thereof. That, as you may recognize, is the inscription on our 2080-pound national treasure, the Liberty Bell. There are many myths and misconceptions in U.S. history, some of which involve this famous symbol. According to the National Park Service, the State House bell, like the [...] 17 JUN When I was in elementary school, my favorite activity was the entire class flashcard competitions. I already had the desire to become a teacher and couldn't wait to get my own set of high, buff-colored flashcards for every math operation. When I had my own classroom, I used flashcards in a less competitive way. My students did [...] May 18 At this time of year, most class-level mathematical concepts have been addressed, although students may not have reached master in each area. It comes with practice! As they move through elementary school, students acquire a range of strategies to address multi-step word problems. During problem solving, students use skills—everything from using basic facts and simple [...]05 MAR Add our free download to your metering and Pi Day activities.
