## Yoga pose cards pdf

[🔗](#) in Australia? Buy Amazon AU Back in stock Jan 30 Order now, dispatch with other items in your order Wouldn't it be great if a personal yoga instructor guides you through a relaxing and rewarding practice everywhere and anytime you felt it? Yoga Cards give you the next best thing for the elegant and comfortable deck of cards you want to use. Beautifully designed plastic cards deck, YOGA CARDS is a simple visual study, sequencing and practice guide to yoga, essential poses and exercises that you love using at home, in the park or while traveling. An excellent learning and classroom planning tool for yoga teachers, certification students and practitioners, YOGA CARDS includes everything you need for a complete, balanced and diverse practice: 47 yoga's most important poses in the grouped category 3 breathing exercises Meditation Card 5 easy-to-follow jada cards, plus Build your own jada template card Each pose card is professionally illustrated to show the right form and movement, along with alignment tips to help you practice correctly. On the back are the benefits of imagining, written instructions and appropriate medical warnings. There are 5 easily observable sequences on deck to help you get started: Dynamic heating Destress & Refresh Yoga Firm & Tone Yoga Center &; Focus Yoga Energize & Wake Up Yoga The cards are made of high-quality durable and waterproof plastic, so they last for years at any time. Compared to a yoga poster or book, the portable flash card format offers versatility and comfort. Dimensions: 5.5 x 4 x 1 The content is carefully planned and written by Julie Bernier, a certified hatha yoga teacher and Ayurvedic Wellness Educator, author of Yoga for Health and Happiness: A Modern Guide to Ancient Practices Including Substitutions, Breathing Exercises and Meditation 🧘 perfect gift any beginner or master yogi loves!
