1930s crossword puzzle answers and solutions

Crossword puzzles are a traditional part of many daily newspapers. Since 1913, when Arthur Wynne published the world's first crossword puzzle, puzzles around the world have been delighted in this head-scratching game [source: A Brief History of Crossword Puzzles]. And there are more crossword puzzles than fun; some studies have shown that regularly solving puzzles like crossword puzzles or Sudoku can help improve your memory, and may even reduce mental decline in parents [source: Christie's]. Crossword puzzles are also a great way to improve your vocabulary and general knowledge. Some crossword puzzles are simple, but some definitely aren't. Sunday's famous crossword puzzle from the New York Times was one of the hardest out there, and it wasn't for faint hearts. But don't despair – there are plenty of tricks out there that can help turn you into a puzzle master. Remember, the harder the puzzle, the more satisfying it will be when you fill that last square. Ready to dive? Read on for the top 10 tips for solving crosswords. Page 2 The proper alignment of the golf club and your hands is very important. When you have it nailed down, you can work on other aspects of your game, confident that you will be able to produce more consistent swings. Without it, accurate shots would be few and far between. When your left hand grips your club properly, it should cover the end of the club completely. The wrist should be above the clutches of the club. You can have the most natural grip in the world, but if it doesn't align with the face of the club, you won't get a good shot. Before tackling the ball, look down the length of your club to make sure your grip and the club's face are in the right alignment. This way, when you hold the club, his face squares with the ball. [source: LearnAboutGolf.com] If you grip your club with the palm of your hand, your elbow will tell you. The correct golf handle produces a straight line along your arm. If your elbow is bent, your palm does too much work, and your arm won't extend properly in your swing, which means less speed [source: Easy2Technologies.com]. Practice Puzzlers is an entertaining way to challenge your clinical expertise. For a more enjoyable experience, here's how to use the tool located in the bar above the crossword puzzle. Away from your computer? Click Print to download and print a blank puzzle or answer key for the puzzle. With the group tool invite colleagues to play with you and share the final score.
