SYBO Games for Android 4.4 + Version: \$2.10.2 \$0 Subway Surfers (MOD, Unlimited Coins/Keys) - legendary runner for android devices. The main character is Jake, he decided to run the railway, but the policeman noticed him, his main goal is to escape him using skateboards and various amplifiers. Drive trains and avoid them. Improve your hero with new clothes and equipment. Updated version 2.10.2! Chases were never so exciting until I played Subway Surfers MOD APK.... Just chasing between an inspector and a naughty little girl and a boy is enough to free up the Kiloo Games to bring us a great game. Table of Contents [Show]There is no need to say much about this game. Subway Surfers can be considered one of the most successful endless running games in mobile game history. An easy way to talk about this game when it has the same gameplay as Temple Run 2, but with impressive graphics and a variety of special features to make your experience more enjoyable in many different ways. Chase on tracks Unlike other Endless-style games, Subway Surfers has a pretty interesting storyline. One beautiful day, Jake - a naughty boy excitedly painted grafting train cars. But he was unlucky. A wild inspector spotted him and followed him with a bat in his hand. The inspector is not very happy, determined to try to teach him a lesson. Since then, the chase has begun... Subway surfers' rules of the game are not complicated. You have to run nonstop along the tracks, constantly move forward, skillfully avoid obstacles on the tracks and on-the-approach trains. You can control Jake by jumping up (wiping up), rolling (wiping down) and moving side by side (swipe left or right). You have to think that this game is not depth, only repetitive gameplay. However, you need to think again after playing Subway Surfers. After playing once, you will definitely want to play next time so as not to make the same mistake. Just like that, you've loved the game when it's not good. Increasingly, the game increases the speed, which makes it difficult for you to control the character. Reflexes and ingenuity will help you win this game. After reaching a record number of points, the system saves and you can compete for position in the leaderboard with friends. Tell them who's the best Subway Surfers player! Support items Are displayed during the performance process. They are: Jetpack: Help Jake

temporarily soar and collect coins in the sky over time. During this time there will be no obstacles. Coin Magnet: Magnets can help you suck these coins around without directly picking it up. Sneakers: Run faster and jump higher. However, you have to be careful because jumping too far is easy to hit other obstacles. Repeater: Increase points. Skateboards: something that keeps you moving smoother. Especially during exercise, your character is protected from tripping, hitting obstacles for 30 seconds. Use this feature for more ways to survive. You can use coins to update the validity of the above mentioned items. Also, don't forget to collect mysterious chests of drawers to get keys or a large amount of coins. Your main goal of character system playing subway surfers is to collect as many coins as possible to unlock the characters. The first character with you is Jake. You can instantly open the fun Dinosaur Dino for free after logging in to your Facebook account, you will also get an extra amount of coins and keys. Some characters you can't open coins, but have to open mysterious chests of drawers, then get special items in a happy way. For example, to open Fresh, you need to open 50 radios. Trust me. After opening these funny girls and boys, you will feel very lucky. Travel to major cities around the worldSubway Surfers is carefully prepared for issuers in terms of graphics.
