

Highschool of the dead rei hate

Now I've been holding this back for a while, but now all I'm asking is, was Rei ever in love with Hisash? Or did he meet her to make Takash to marry one day, and not just any promise, but a little fingered promise, so it was very important. But he broke his promise because he could no longer wait for Takash; This made me think that Rei's love for Takash was never real, but rather just a crush, and yet whenever Rei sees Saeko with Takash if she was seeing a best friend of Takash's so she wouldn't have the right to be jealous? It's not that I don't like Rei, it's that Rei doesn't just fit with Takash because: 1. She dated Hisash knowing they were best friends 2. He always complains with Takashi3. He talks about Hisash whenever he can. I haven't decided on anime yet, which I'm in episode 11, but I've been reading manga since Chapter 24 and I think Rei is just a little, forgive my ugly language, but that's just the way it is. Now is the time to compare him to Saeko, both manga and anime Saeko promised takash and I would meet him later at the police station, and in his thoughts he thought only of that promise. Whenever Saeko was asked if he liked Takash because he could only think of his promise with him, he replied that the reason he thought about the promise was because he was taught that whenever he made a promise, he must keep the promise, even if it kills him. This is how man makes a promise, l believe Saeko is meant to be with Takash because he is exactly the same as Takashi and it would be better if they ended up dating and leaving Rei with all hearts broken, as Rei left Takash and thus he understands that karma is b\*\*. Personally, it would be better if that happened and it would be better if th like it, and if he did that it would make me so crazy, this isn't a review, but rather my rampage and personal opinion I don't hate Rei, but I hate what he did something like that, and it upsets me. Wow, I feel so much better; relieved, in fact, I've been waiting for someone to listen to me and that's why I just wanted to post about this. I apologize for using such foul language in this rampage. Thank you, and good night. Wikipedia catalogue article Highschool of the then published by Geneon Universal Entertainment on 22 September 2010 ensimmäisen DVD/Blu-ray-äänenvoimakkuuden kansi.
