Its motto is Todos una! (All together for one purpose). Founded in the United States in 1953, the group is supported by the American Association of Spanish and Portuguese Teachers. Each chapter has its own unique name, which relates to some aspect of Spanish or Portuguese culture. Each member of society must have taken three semesters of Spanish or Portuguese. He is required to maintain an honorary grade, or GPA, which correlates with the Society's mission of high academic achievement. [1] Publications ¡Albricias! is a quarterly edition of the Spanish Honorary Society. [2] Students can submit writings and works of art to the magazine. It also has reflective writings from students who have won college scholarships and/or travel awards. Scholarships and awards from the Spanish Honor Society will offer over \$160,000 in prizes to its chapters and members. The most prestigious awards are college scholarships for 60 high school seniors and travel awards for 24 high school juniors from all over the country (Bertie Green Travel Awards). Bertie Green Travel Award destinations have included summer trips to Argentina, Peru, Mexico and Spain. Each chapter can only nominate one student for each prize. Each year there are also several awards for chapters and sponsors.
