If you mean a man it looks beautiful, you need to change the adjective to the masculine end (masculine words often end up in pleasurable). And the adjective means the same thing to people. However, guapo means beautiful while guapa means attractive. For example: El East hermosoEres belloEres bonitoEres guapoeres hermosoEres lindoBello / Bella means beautiful or beautiful. It is a little formal and can be used to describe anything, from clothes, to view, people. Bonito/Bonita is more common than bello and can be used to describe anything. It also means nice but it's less strong. It's closer to beautiful or beautiful. Guapo / Guapa should be used to describe an attractive person, especially male. If you want to describe multiple people then add s to hermosa or hermoso. For example: They are - Ellas' son hermosas (plural-feminine)They are beautiful - Ellos Son hermosos (plur-masculine)See also: How to Say There's a Nice Day in Common Spanish Expressions: Good Morning Nice - Buenos días Hermosaello beautiful - Hola hermosaVery beautiful - Muy hermosaHow beautiful - Teen hermoso (masculine)How beautiful - Que Hermosa (feminine) Or nice in Spanish | Rosetta Stone®Learn how to tell you is beautiful and other phrases in Spanish using the award-winning rosetta Stone app. Just like in English, there is no shortage of ways to say you are beautiful in Spanish. Here are the most common phrases you'll hear. Don't forget that you'll need to use the appropriate feminine or masculine form depending on what you're talking about. Eres bella /bello (feminine/masculine) Eres hermosa/hermoso (feminine/masculine) Eres preciosa/precioso (feminine masculine/masculine) eres guapa/guapo (feminine /masculine) examples above can be used interchangeably, as are in English. A good example is you might say your other's significant ones are beautiful or they are gorgeous. He expresses the same emotion. Getting comfortable with the swatches of Spanish words may take some time. But remember, you don't need to attack them all at once. As you move forward on your language journey, you'll adopt the version of the phrase you're most comfortable with. Rosetta Stone's imitation ® methodology teaches you the language by sending you through. Yes, it will be difficult sometimes, but that's what makes it efficient in preparing you to use your new language throughout daily life. So it's not just about the features, but what you're able to do because of them. It helps you get ready to handle situations and trust. People choose to learn Spanish for different reasons. Many hear the language of their daily lives. After all, Spanish hears of popular music, movies, and television shows. Others want to learn Spanish based on their plans of work, vacation, or volunteer in any of the 20 countries where Spanish is the official language. Whatever your reason, you can get off to a great start by first learning how to pronounce some very basic words and phrases. It is an important step to understand and be understood by any of the 437 million people around the world who speak Spanish. Too often, new Spanish learning focuses on memorizing lists of lengths of Spanish vocabulary words and sentences. Then they become frustrated because they have little-to-no ability to participate in daily Hispanic conversations. That's why he advises that new Hispanic class students work on understanding and pronouncing basic words and phrases. The smart and proven approach to learning Hispanic will help you learn confidence and uncomfortable Spanish. You should know that Spanish has some distinction of pronunciation that make it a challenge to those who are learning their language. As an example, carr's letter pronounces different ways and takes some practices for most new learners. This distinct sound formed by hitting the tip of the tongue on the roof of the mouth, about a third of the way back into the mouth. Some experts in Spanish suggest new students practice making tt the sound, as it sounds in the English word. Refined pronunciation skills you require immediate feedback on your effort. Rosetta Stone helps you sound amazing with our TruAccent engine™ speech-recognition engine. Our pacted technology compares your voice to authentic and non-natives in real time—so you get immediate feedback for the most accurate pronunciation. It's also adjustment, allowing you to tweak your accents as needed. TruAcent is a powerful tool to help you learn and speak the Spanish language. When you have a sleeve on basic Hispanic words and shortened phrases, you can move onto the longer sentences you'll use in daily conversations. Short, 10-minute language lessons are designed to take us along this natural path to learn—first teach basics, and administer longer sentences. This comprehensive approach will help you find the Spanish speaking skills and confidence. Enthusiast yourself with Spanish every time, everywhere with the Rosetta Stone app. Download a unit and knock it out on the train or a flight. Pick a 5-10 minute lesson and sneak it in while you're waiting in line or for your ride to show up. And explore dynamic features, such as Seek and Talk, where you can point to an object in the real world and get a translation. The best part? You don't have to choose between app or desktop. Both come with your subscription and sync, so you can switch between devices safely. Trusted for 25+ years by top organization. I love Stone Rosetta's software, and I think that's the approach to learning language works. With its excellent user interface, clear instructions, wide variety of games and challenges... Rosetta Stone had it going on. The gold standard of computer-based language learning. HSA offers Spanish encounters for all ages.
