A new transformation sequence (Mercury Crystal Power Make Up!) and a major enhanced water-based attack (Mercury Aqua Mirage) for the Super Sailor Mercury were briefly presented. Black Dream Hole Somewhere in Europe, a young man named Poupelin (, Pupuran) plays a song on his flute to hypnotize children, following him into a mysterious ship before sailing into the sky. In Tokyo, Usagi Tsukino, Chibiusa and other girls bake cookies together in Makota Kino's apartment. Usagi ends with cookies to Mamoru Chiba, but he is stopped by a bow tie-shaped skirt in strange white clothes that stand in front of the patisserie. They make friends with each other, and a few crops in the window of the store cause them to dance by playing a tune on their flute before revealing themselves as Perle (c.e., Peruru). Meanwhile, Usagi visits Mamoru with cookies and they are arguing over his strong and close friendship with Chibiusa. They hear reports on the radio of the mass disappearance of children around the world. Around the same time, Chibiusa gives her a bag of Perle biscuits before going its separate ways. That night, Chibiusa wakes up and starts walking around town. Diana wakes Usagi, who along with the other girls follows Chibius, and other children. They save Chibius, but they're fighting Poupelin and his Candy babies. Poupelin then hypnotizes the girls to see Gingerbread House. In turn, Mamoro shows up and rips the girls out of the spell. Queen Badiane (e. Jo'ō Badiyānu, Jo'ō Badiyānu, Jo'ō Badiyānu, orders Poupelinu and other Henchmen Bananas (1940, Banānu) and Orangeatu (ploughing) to hurry up. Perle says she doesn't believe in them anymore, but she orders Chibius to get caught. The ship lands along with two others in Marzipan Castle. When the door opens, the children run into the darkness, except chibius. She looked into the shadows, witnessed the dream coffins, each with a sleeping child. Badiane lifts her up, comments on the power she feels from Chibius, and explains her purpose. In the center of the castle is formed a massive Black Dream hole that collects the magical energy of sugar from sleeping children. Eventually, it will overtake Earth, and all humans will enter the dream coffins. Meanwhile, Perle leads the other sailors to his flying ship. She tells them that Badiane promised that the children would be happy and safe in her dream world and where the children can stay indefinitely, and she also thinks of Chibiuso, her friend. When they reach the castle, they are attacked, and accidentally fight Poupelin, Bananas, and Orangeat, as well as three sete Candy Babies. Just when the situation seems hopeless, the girls are rescued by sailor Uranium, Sailor Neptune and Sailor Pluto. With this advantage, they can break the flutes of three fairies, which they turn into small birds. Then the guardians inhale into the castle and confront Queen Badiana, who drained enough to force all naval soldiers except Usagi into half the deformation that weakens them, without any clothes. Badiane enters with his And Usagi is then found in Mamoru's apartment and carries Chibius. Her on the bed, then wraps his arms around Luagi and tells her not to worry about anything just to stay there with him. He asks again who is more important, himself or Chibiusa; In the end, he tells her it is. Usagi once again lifts Chibius into his arms and eventually realizes that all these experiences are just dreams. When Usagi tries to escape, Badiane demands that she return Chibius into his arms and eventually realizes that all these experiences are just dreams. [3] The English edition of The Film was first released in North America on VHS at pioneer Entertainment on 31 August 1999, in Japanese with English subtitles. On August 15, 2000, together with the second edition of VHS, which included an assembled version of The English Dub, he released the film on an unbrum bilingual DVD. [5] Pioneer re-released its DVD on 6 January 2004 under its Geneon Signature Series. [6] Later, CDs fell out of the press when Pioneer/Geneon lost its film license. The edited version was also shown on TV in Canada on YTV and in the US on Cartoon Network's Toonami block. The English dub was made in conjunction with Optimum Productions in Toronto, Ontario, Canada, and was censored for content and replaced the music with cues from the dic version of the first two seasons of anime, while retaining a insert song, Sanji no Yosei (The Three O'Clock Fairy). The unbrune version of duba was only visible on a bilingual DVD, had no censorship, and all the original Japanese music remained untested, with the exception of the DiC theme that is used. However, no DVD or VHS edition contained a short Ami's First Love. In 2014, the film (including Ami's Short First Love) was re-licensed for an updated English-language edition in North America, producing a new English dub film in conjunction with Studiopolis in Los Angeles, California, and plans to release it again on DVD and Blu-ray. [7] The film, together with Ami's First Love short, was re-licensed in North American movies in conjunction with Fath Events for one-day shows across the country, subtitled 4 August 2018 and subtitled August 6, 2018. [8] Madman Entertainment was licensed on Blu-ray and DVD on February 12, 2019.
