## Sea cadets uniform

The purpose of the United Rules of the U.S. Navy Cadet Corps is: Providing descriptions of all authorized U.S. Naval Cadet Corps (NSCC) and Cadet Corps Navy League (NLCC) uniforms and components. Provide instructions on prescribing uniform wear to present a sequential image throughout the NHSU. Below are the different types of uniforms worn by adult staff.Not uniforms Instructors - Polos & KhakisAuxiliary Instructors - Polos & Khakis Uniforms your cadets will wear during their Sea Cadet or Cadet League careers are a necessary part of their membership. Initial uniform fees will be no more than you'll spend on Brown, Girl or Boy Scout, Baseball or other uniforms to attend other events. The full initial compliment of the uniform costs over \$200. The good news is that as your cadet grows, you may not have to buy the same items again in larger sizes. If a smaller item is returned to the device in a reusable state, a larger size of the same item will be provided at no additional cost. The following uniforms are designed uniforms for the Wolver Atoms Division. Each uniform has a list of items needed for each designated uniform. The lists are divided into groups between marine cadets and league cadets, men and women, and uniform type.\*\*Uniforms will be issued after registration with the NHQ. Each cadet is responsible for the request from the supply officer for any items missing in their uniforms. However, if there are cases where the cadet size or homogeneous component is not available in the supply, the items must be purchased by the cadet's family. The following are suggested local and online unified resources. The official guide describing the authorized uniforms and their wearables for NSC/NLCC officers, memes, instructors and cadets is Regulations. The following information is directly from this guide. Important informationUniformed components of all personnel should be labeled property. Labeling is a stencil consisting of the owner's surname and the last four digits of the owner's Social Security number placed inside the garment unless otherwise directed. Stencil letters should be approximately 3/8 inch high blocked letters. Markup should be black on a white uniform, and white (silver sharp also works well) on a blue and black uniform. Shoes:Boots should have laces, zipper on the inside in order. Shoes should have laces without a seam on the mouse, and be polished. NLCC Cadet Chevrons and rating collar badges InsigniaNSCC collar honors repeat NSCC ranking badges for wearing on navy work uniforms and camouflage useful shape instead of sleeve honors. All chief petty officers and small officers wear miniature embroidered ribbon class honors on navy work uniforms and service uniform camouflage. NSC cadets in E-1 to E-3 and NLC cadets in LC-1 to LC-3 classes don't wear collar insignia The flash of the cover cap is smaller than on the dress uniform and should have eagle cladding left WHITE DRESS - MALEJumper, dress, whiteTrousers, jumper, WhiteHat, WhiteShoes, dress, blackSocks, dress, blackUndershirt, whites, WhiteBelt, White, with silver clip and silver buckleNeckerchiefSleeve honors (if earned)Tapes (if earned)USNSCC shoulder flare, BlackOptional ItemsCoat, All-Weather, BlackEarmuffsGloves, WhitePeacoatScarf, WhiteName/Identity Tag (order online - see link below)Medals (if earned)Note: Can be prescribed for summer clothes when formal dress, dinner dress, or full dress shape are not prescribed and the civil equivalent of a coat and tie.
