Which statement about federal and unified systems is the most accurate? In the federal system, power is concentrated in the states; system, it is concentrated in the national government. In the federal system, the constitution confers powers between states and the federal government; common framework, powers are submitted to the national government. Today, there are more states with federal systems than with a single system. There are federal systems in the United States and Japan, while the UK and Canada have unified systems. 2. Which statement is most accurate about the sources of revenue for local and state governments? Taxes generate more than half of the total revenue from local and state governments. Property taxes generate the most tax revenue for both local and state governments. Between 30 and 40 percent of the revenue for local and state governments comes from grant money. Local and state governments generate the same amount of revenue by issuing licences and certificates. 3. What key constitutional provisions define the scope of the powers of federal and state governments? 4. What are the main functions of federal and state governments? 5. In McCulloch v. Maryland, the Supreme Court invoked what provisions of the constitution? The tenth trade clause and the clause on the expenditure clause require and an appropriate clause and a superiority clause applying taxes and the necessary and correct paragraph 6. Which statement about new federalism is not true? President Nixon launched a new federalism, and president Reagan continued. New federalism is based on the idea that decentralisation of responsibility improves administrative efficiency. United States v. Lopez is a Supreme Court ruling that advanced the logic of new federalism. President Reagan was able to promote new federalism consistently throughout his administration. 7. not on the merits of cooperative federalism? Federal cooperation helps to reduce the problem of national collective action. Federal aid encourages state and local governments to create positive external influences. Cooperative federalism respects the boundaries of traditional jurisdiction between states and the federal government. Federal assistance ensures a certain degree of uniformity of public services in different countries. 8. What are the main differences between cooperative federalism and dual federalism? 9. What were the consequences of McCulloch v. Maryland on federalism? 10. Which statement on federal grants is the most accurate in recent decades? The federal government allocates the most allocated money to income security. The amount of federal scholarship money going to the states has steadily increased since the 1960s. Most federal grants are blocking grants. Block grants gain more flexibility over time. 11. Which claim of unfunded powers is false? The Unfunded Mandate Reform Act has prevented Congress from exercising unfunded powers. The Clean Air Act is a form of federal partial preemptive regulation. Title VI of the Civil Law Act lays down cross-cutting requirements. New federalism does not encourage the use of unfunded powers. 12. What does it mean to refer to the grant carrot and mandate card? 13. Which statement about immigration federalism is false? Arizona v. United States decision struck down all of Arizona's most restrictive rules on undocumented immigration. Since the 1920s, countries have become increasingly involved in immigration policy. Federal immigration laws trump state laws. The involvement of countries in immigration is partly due to their interest in preventing undocumented immigrants from accessing public services, such as education and welfare benefits. 14. Which statement about the development of same-sex marriage is false? The federal government got involved in this matter when it passed DOMA. In 1990 and 2000, the number of sideways increased in same-sex marriage. The United States v. Windsor legalized same-sex marriage in the United States. More than half of the countries had legalized same-sex marriage by the time the Supreme Court made same-sex marriage legal in the country in 2015. 15. Which statement about venue shopping is true? MADD ran the drinking age issue from the federal government to the states. Anti-abortion advocates have led the abortion issue from the states to the federal government. Both MADD and anti-abortion supporters shifted their defense from states to the federal government. None of the statements are correct. 16. What does a shopping place mean? 17. Which of these is not the benefit of federalism? Federalism promotes political participation. Federalism promotes economic equality across the country. Federalism provides several levels government action. Federalism is in line with diversity of opinion. 18. Describe the advantages of federalism. 19. Describe the shortcomings of federalism. federalism.
