As fans know, Melendez died of major internal injuries when actor Nicholas Gonzalez made his last appearance as a surgeon. Shortly after the Season 3 finale, TVLine also announced that actress Jasika Nicole would not be returning as Dr. Carly Lever. Not. What's more, Dr. Morgan Reznick (Fiona Gubelmann) was told he ended his career while trying to save a patient's life. Jack RowandABC But the show's creator, David Shore, quickly cleared the air about the future of these two characters. Look, I don't think Dr. Park's going. I don't think Dr. Morgan's going, he told Deadline. But it happened to them, and as a result of their experiences there will be changes for these characters - a physical change in his case, an emotional change in his case. But there will be changes for both. At this time, fans can be sure that Freddie Highmore, Antonia Thomas, Fiona Gubelmann, Will Yun Lee, Christina Chang, Hill Harper, Richard Schiff and Paige Spara will reprise all their roles. In addition, actress Beau Garrett will return to portraying lawyer Jessica Preston, according to TVLine (viewers saw her in the final season 1). Fans will also get four new doctors to recognize competition for surgical residency positions Shaun will supervise. Newcomers include Dr. Olivia Jackson (Summer Brown), Dr. Asher Wolke (Noah Galvin), Dr. Enrique Guerin (Brian Marc) and Dr. Jordan Allen (Bria Samoné). Are there any Good Doctor season 4 spoilers? Before the premiere of season 4, David announced that the show would address COVID-19, according to Deadline. It would be so wrong, I believe, not to deal with it ... This has taken over every aspect of our lives for an incredible period of time. The world will hopefully return to what we consider normal, but it would be dishonest not to deal with this story. Said. After you say that, it's an amazing story. We're a show about ordinary people doing heroic things. The impact of [COVID-19] is incredibly dramatic, so we wanted to dramatize it. Jack RowandABC For those wondering if the series will be a reflection of reality, it won't be for long. The ongoing coronavirus pandemic will only be the focus of the first two episodes, and then the series will re-enamns the stories of our favorite characters. On the one hand, we have to deal with it and do it in an honest but fun way. But we have been living so much for the last six months ... As entertainers, I think we have a responsibility to provide some escape. Said. That is, the rest of the season will not be about COVID. It will return to the stories we tell, life stories, ethical choices and these characters in life and death moments. As we continue to count the days, Hulu and Amazon are in season 1, 2 and 3 of The Good Doctor in Prime Video. This content is retrieved from {embed-name}.
