Feed Us: Pirates was a sequel to the adventures of the Red Piranha from The Description of Flash Games Feed Us Feed Pirates – Pirates Pirates captured our island. Your task is to be rescued and feed yourself various foods on the island. Feed Us Pirates is a great game, but only for teens and adults, because there is a lot of cruelty and other unpleasant things. Only emotionally stable people who normally react to real things can play. The main essence of the game is that pirate ships sail regularly along the sea, where numerous piranhas live. Piranha are very strong here, so with a strong blow, they can even turn the men's boat around. After the boat rolls and people fall into the water, the piranha begin to eat these people. The most interesting thing is that you are the one who manages these piranha, and your task is to destroy as many people as possible. In addition, birds often fly here, which also go for fish as food. During the game, wonderful music is heard that scares players and makes their virtual journey more interesting and interesting. In this game can be played together, You and your opponent will have to compete in as they can eat more living things. On the one hand, it is very interesting, but on the other hand, such moments can disrupt the child's psyche and make him not be completely balanced. go to Feed Us Pirates game and take part in this bled Feed Us 6: Lost Island to play: Mouse Control.
