Onq system training

Nor1® e-learning and educational resource center for Hilton Worldwide Welcome to the ELearning Nor1 Center. Here you can train your employees about our upsell solutions to maximize the revenue potential of your property. Nor1 has numerous training resources available for our partner properties. We provide integration-to-reception training for each of our solutions. If you don't see what you're looking for here, contact your Nor1 Account Manager. Upsell Manager™ Training Upsell Manager™ is an eStandby Upgrade® reception system that provides hotels with visibility into the revenue potential of guest upgrade requests. Learn how to make award decisions here and how to increase the profits of your property. At Upsell Manager™, real estate revenue managers also have access to reports and trends that help revenue managers take full advantage of eStandby Upgrade's unique ability to generate additional revenue from existing customers. eStandby® FrontDesk Associates Interactive Training This tutorial will show you how to communicate with eStandby® when making decisions made by your property. eStandby® Affiliate Quiz at reception After completing eStandby® Front Desk Associates Interactive Training, take the last quiz to test your knowledge! Take the quiz and send us your name, results and property name and we'll send you a certificate of completion. PRiME® Training PRiME® is a patented industry-leading pricing and merchandising engine that underpins all nor1® upsell solutions. Learn how prime identifies the right product selection, upsell prices, and view ranking decisions for each guest based on advanced algorithms. PRiME Training Calendar Download PRiME Exception Training Download more information about Nor1's Upsell Solutions Customer Support Our Hospitality Operations team is never just a click or phone away.
