Full review Anim's favorite pirates get a worth of big-screen adventures in a nostalgic one-piece: Stampede. Full review Non-stop mayhem will please One Piece fans, but beginners may find the movie exhausting. Full review This is a vast sea haven that is the story of more than 20 years of Oda's One Piece, which must absolutely be seen on the big screen. Full review Anim's favorite pirates get a worth of big-screen adventures in a nostalgic one-piece: Stampede. Full review Non-stop mayhem will please One Piece fans, but beginners may find the movie exhausting. Full reviews No user reviews for this movie yet. The world's most daring Buccaneers set sail for the Great Pirates Festival, where straw hats take part in a crazy race to find the treasures of Goat D. Roger. There is only one small problem. An older member of Roger's crew has an ominous score to settle. All bets are off when the one-piece history band's most iconic pirates are together for a swashbuckling showdown. When you arrive at the theater early, you will receive a dedicated art card* featuring illustrations by original creator Eiichiro Oda! Check with your theater for the detailed language US while providing supplies at the participating theaters at the end: presented in Japanese with English subtitles October 24, 29 and 31.
