## Helmet of salvation craft

Posted on June 2, 2013 Update on December 23, 2013 And wearing a lifes saving helmet... Esau 6:17 Guide Prints out samples into a piece of heavy duty card stock. For a smaller child print out parts labeled B. (Sample) Colors and cut out patterns. The glue on the straps will wrap around the head into the main part of the helmet. Next fold the head of the side piece. Glue them to the main part of the helmet. Right next to you is glued on the straps. Stick the nose patch on the main part of the helmet. Do this by adding a small amount of glue at first to the back of the nosepiece. Tell the child to place the main part of the helmet on his face (where he will go), then place the nose and stick it to the helmet. Add more glue if necessary. Finally to hold the straps together, you can use Velcro, or you can use paperclips to hold it in place then add glue. I've included the word SALVATION in case you want to add it to the helmet. Published on June 1, 2013 Update on December 23, 2013 God's Armor depicted in the book of Ephesians is a popular topic for Sunday school lessons and school Bible vacations. Not only do kids like to make armor, but they like to put it on and play around with it. Last week, I decided to come up with the armor version of God. Over the next six days, I will be posting crafts on God's complete armor. Every day will bring a different part of the armor. I'm sure your kiddos will love them. 10 Finally, be strong in the Lord and in the strength of His strength. 11 Wear the full armor of God, that ye may stand against the schemes of the devil. Ephesians 6:10-11 Helmet Of Salvation Sword Of The Spirit Shield Of Faith Breastplate Of Righteousness Belt Of Truth Sandals Of Peace If you happen to have a Sunday school or Bible School holiday armor of God theme and you want to send me pics of your kiddos making or wearing armor, I'd be glad to put them on my blog. It's based on the teaching of God's armor found in Eritt 6. Click here for more Bible lessons in this unit. Like all our resources, this document is 100% free to use in your set. Please leave a comment below to share your own thoughts and provide suggestions to other readers. How to Win Against Sin, Lesson Six: Helmets of the Salvation Bible References: 1 Thessalonians 5:8-9 Romans 8:37-39 Preparing Teachers: Read the lesson in advance and get acquainted with it. You don't have to read it word for word. Make it your own, just be sure to get the topic across. Pray for your class. Collect the following supplies: the Bible. Posters and pieces. Helmet of Salvation (download here) activity pages for each child. Winning ticket (download here) An 18 X 12 construction paper, cut into six wide strips 2. Duct tape. Stapler. Feathers. Crayons, scissors, glue. Winner! Tickets. Candy or other small prizes. For more information on salvation, study the following paragraphs. As you study these truths, let the Holy Ghost work with them into your life so you can share them with students. Isaiah 12:2 1 Thessalonians 5:8-9 Rome 8:37-39 1 Samuel 2:1-3 Psalm 3 Theme: The fifth piece of armor is the helmet of Idle. When the helmet protects our heads, our hope in salvation protects our minds from Satan's lies. We have to think and be confident in his hopes for us. Me. Verse: Eritt 6:11 (ESV) Wear all the armor of God, so that ye may resist the schemes of the devil. Game: Knock out temptation to set plastic cups along the wall. From about ten or fifteen feet, children must return a ping ping ball off the floor once and into the cup. They have to do this three times in a row. Tell the kids that whoever completes this mission will receive candy or some other small prize. (It is important that this game is too hard to win. It should seem possible, but make sure no one can really win.) After everyone fails a round, tell them that you can give them something so no matter what they do, whether they make the shots or not, they will still win the prize. Pass WINNER! tickets for children. Make sure you don't force tickets on any child. (You can ask a volunteer, such as an adult or other class helper, to refuse to pick up the ticket, to help prove the problem.) Give everyone the option to take it or leave it. Play the game again, only this time, everyone who has a WINNER! Tickets receive a prize, even if they do not complete the mission successfully. Ask if you understand the point of the game. What spiritual subject are you trying to overcome? Emphasize strongly that there is nothing we can do to win our salvation. It seems that we can live right, but before God, we are still sinners. The only way to win the game, to reach Heaven, is to accept God's free gift of salvation. Bible lessons present Prayer to your class. Today, let's start by singing our marching song, then you can tell me the pieces of armor we are learning about today. Belt, breastplate, footwear and shield, helmet and sword, belt, breastplate, shoes and shield, helmet and sword, This is our Lord's armor, Belt, breastplate, shoes and shield, helmet and sword. Today we are learning about lifes saving helmets. How many of you ride bikes, scooters, skateboards, or other quick things with wheels? Do you wear your helmet when you do these things? Why? That's right, you have to wear a helmet so you don't get hurt in the head. That's why soldiers also wear helmets. They must wear helmets to keep themselves from being injured in battle. As we have learned, we are in a spiritual battle against the devil, and God has given us the armor to protect ourselves. One of our most important body parts is the head, and one of the most important parts of mental armor is the helmet of salvation. Who can explain to me what salvation is? Allow some students to respond. This is a good way to figure out what your students know about this important topic. Salvation is when Jesus comes in our lives and takes away our sins. He saves us from eternity in hell. Salvation is the greatest gift we can receive because Jesus Christ died on top of for us to go to Heaven. How holy God comes to how He can't be in the presence of sin. All it takes is a small sin and then we deserve to be in hell, away from god's presence. Jesus is the only way to get to heaven. All we have to do is ACCEPT that we are sinner, BELIEVE Jesus Christ died for our sins, and CONFESS our sins to Him, then we get to live eternally with God. 1 Thessalonians 5:8-9 tells us But let's live in the light that is clearheaded, protected by the armor of faith and love, and dressed as our helmets the confidence of our salvation. For God has chosen to save us through our Lord Jesus Christ, not to pour out his anger on us. Salvation is represented as a helmet because it protects our thoughts. We are confident that we will live forever in heaven because God saved us through Jesus Christ. Sometimes when we sin, Satan tries to convince us that God will no longer love us and that we are no longer saved. When Satan tries to make us feel like we've lost, we need to remember what Romans 8:37-39 say. (Have the class go there, and a student reads these verses.) No, despite all this, overwhelming victory is ours through Christ, who loves us. And I believe that nothing can separate us from God's love. Both death and life, both angels and demons, both our fears for this day as well as our anxiety about tomorrow—even the power of hell cannot separate us from god's love. There is no power in the sky above or below—indeed, nothing in every creation will be able to separate us from the love of God revealed in our Lord Jesus Christ. These verses make it very clear that no matter what we do, after we put on the helmet of salvation, we are the winner through Christ! Because with Jesus, we can WIN AGAINST SIN! Let's practice our memory sentences with the motions now. Put on all the armor of God, so you can resist the schemes of the devil. Wear the whole armor As you say this, pretend to get dressed. Put on your pants and jacket. of God signing God. (with your right hand, thumbs face you, bring your flat palms down from your forehead to your chest.) So that you can stand against Standing with your feet slightly more than the outer shoulder width with your hands Your hips, like a superhero. Fight your Rub together programs like an evil villain. Of the devil. Sign the devil. (Put your thumb in your temple, and your index finger and middle finger straight in the air. Bend them twice, as cited air. Repeat the entire sentence with the children, leading them to perform the motions. Poster Review the pieces from last week and add helmets for children on the poster. Craftsman: Make helmets of salvation. Give out six strips of paper for children. Allow the children to decorate the strips. Tell them to go. Go, one piece to be headband. Use one or two pieces to wrap around the child's head. It will comfortably be able to slide on and off. Staple the pieces together into a headband. Use bandages to cover the main items inside so that they do not scratch the child. Use the remaining pieces to make the head cover. Pin one end of the band to the front end of the head band, and the other end of the band to the back end of the head band. Continue to do this with all the remaining strips, going from side to side, so the whole head is covered quite a lot. Pass through all the key items. If time permits, let the children glue the fur to the top strip of their helmet. Pray with your class, then give the helmet activity sheets. These can be done in the classroom or sent home to reinforce the lesson. A page for older children is a decryption page stating Accept that you are a sinner. Believe that Jesus died of your sins. Confess your sins to God. Pledge to follow him. Let's do it today! Active pages for those who are up-to-rise or unread ask them to color the ABCS of salvation, cut them out and paste them in the right order. Order.
