Trusting god jerry bridges study guide pdf

Trusting Jerry Bridges in God Why is it easier to obey God than to trust him? Because obeying God makes sense to us. In most cases, His laws seem reasonable and wise, and while we do not want to abide by them, we generally admit that they are good for us, but the circumstances in which we often defy explanation. When unexpected situations arise that seem unfair, irrational or even terrible, we are confused and frustrated. Sooner or later, we're going to start doubting God's concern for us or His control over our lives. Adversations are difficult to endure and can be even more difficult to understand. If God really ruled, why would He allow a tragic car accident or a decisive job loss? How could he allow cancer in a loved one or the death of a child? As we struggle, His concern for us asks, Why does God allow this? Or what have I done wrong? To strengthen his own trust in God during adversity, Jerry Bridges began a lengthy Bible study of God's right to self-determination. What he learned changed his life, and now he shares the fruit of research with you, trusting in God. When you start studying the extent of God's power in nations, nature, and the detailed lives of individuals, you will recognize His loving control. When you start to know Him better, you'll find yourself trusting him more even when life hurts. Published 06/01/1988 NavPress® is it easier to obey God than trust him? Because obeying God makes sense to us. In most cases, His laws seem reasonable and wise, and while we do not want to abide by them, we generally acknowledge that they are good for us. But the circumstances in which we are often in a defiant explanation. Sooner or later, we're going to start doubting God's concern for us or His control over our lives. We ask, Why does God allow this? Or what have I done wrong? During such adversity, Jerry Bridges began an in-depth Bible study on God's right to self-determination. What he learned changed his life, and by trusting in God, he shares the fruits of that study. When you study the extent of God's power in nations, nature, and even in the details of your life, you find yourself trusting him more - even when life hurts. Among the authors: Jerry Bridges was a longtime employee of navigators and served with their collegiate service. In addition to his international speaking work, he wrote several books and devotions; among them, the pursuit of Holiness, the discipline of mercy, and trust in God. When you study the extent of God's power in nations, nature, and even in the details of your life, you find yourself trusting him more - even when life hurts. Now a discussion guide for personal or group use. The writer Jerry Bridges was a well-known Christian writer and conference speaker. His best-known book The Pursuit of Holiness has sold over a million copies. The prolific author has sold more than 3.5 million copies of his various books, and several titles have been translated and published in several languages. He joined navigator staff in 1955 and served for 60 years as a staff member in various positions before joining assistant staff and serving in the Collegiate Ministry. Jerry passed away in the spring of 2016, leaving behind his wife, Jane, two married children and seven grandchildren. We all experience adversation at different times in our lives. It comes in many forms - sudden pain, traumatic experiences, devastating losses - and we rarely understand what is happening at that time. That's why learning to trust God can be such a slow and difficult process. When everything we go through suggests that God can't help us or doesn't care, it feels untested to trust Him. But nothing could be further from the truth. As Jerry Bridges illustrates in his best-selling book Trust in God, God is more than worthy of our trust. His total sovereignty, infinite wisdom, and perfect love always work for us – even when we don't understand the things we see. Now you can draw strength from the life-changing principle of trusting God with this inspiring and application-driven study guide. By enhancing the book's basic principles for personal or group research, the Study Guide of a Trusting God can show you how to trust God in your particular situation. As you and your friends start to unravel the extent of God's power, not only do you benefit from each other's support, but you also have the capacity to trust Him more. Not only in difficult times, but at other times.
