SEND OFFER McDonalds Batman Forever glass cups are glass cups given away by fast food chain McDonalds in 1995 to promote the release of the film Batman Forever. Background Batman Forever was released in 1995, as a follow-up to the 1992 Tim Burton film Batman Returns. The film was a departure from the darker tone of the previous two films, and its visual style and story was more familiar after Warner Bros. decided burton's style limited the franchise's box office success. The film stars Val Kilmer as Batman, with Chris O'Donnell as Robin, Jim Carrey as the Enigma and Tommy Lee Jones as Two Face. McDonalds Batman Forever Mugs There are four cups on set, each of which is clear glass with an engraving of a character from the film. Cups with Batman and Robin measure 4 1/4 tall, while the two cups with the villains in the film the Enigma and Harvey 'Two Face' Dent are small, measuring 3 1/4. How much McDonalds Batman Forever the Batman Forever cups are worth in large numbers and sold worldwide, which means they currently have little or no value as rare collectibles.
