Wgu c181 study guide

im struggling with this class passed the pre test taking the final exam and failing as many as 10 im points did not get any help from my teacher. Can someone help me with how they passed any quick course review tips ive stuck on this class since January I felt like im wasting my time and money for BSN I have 13 classes to complete ive just finished 1 so far this class really holds me a backPage 2 Where do you go to school? Find me work on History training and need support. C181 Review Guide: The U.S. Constitutional survey and the Government How to Use this Review Guide this review is designed to work alongside your course textbook and related chapter activities. Once you've completed all the readings and course activities, use this review guide as a final review tool before taking your pre and final assessments. In the course review guide, you'll find two types of activities: Flashcard Vocabulary Chapter Review Flashcard Vocab Questions In your textbook there are Flashcard activities for each chapter that contains relevant vocabulary for you to learn. As you complete each chapter, fill it up - in your own words - the relevant flashcard vocabulary chart found in this review guide. Test your knowledge by using flashcard activity textbooks for chapters. Chapter Question Reviews To complete a chapter of question reviews, respond to each question enough answer questions and will be useful in your review before taking your assessment. Answer these questions carefully to use your review guide carefully. If you find questions you can't answer, please contact your course mentor for additional clarification and support. Chapter 1 Vocabulary Flashcard Definition/Democratic Socialism Description Click here to enter text. Government Click here to enter text. Communism Click here to enter text. Laissez faire Click here to enter text. Social Equality Click here to enter text. Police power Click here to enter text. Click Rights here to enter text. Public Items Click here to enter text.
