Willy wonka song lyrics 2005

Take a deep breath, and think back to a high school dance and try to remember what they were like. Anyone who was a pre-teen probably remembers the awkward slow dancing, new tank-tops from the mall, and shouting along to every word of pop-radio hits. Songs from the late '90s and early 2000s may seem like a distant memory now, but at that time many of them were iconic. Looking back on the era, there are certainly some lyrics that you completely forgot existed until now. Occasionally one of these songs will play, in a clothing store or on the radio or on an ironic party playlist, and those words will take you back to that high school auditorium. Different genres flourished in the late 90s and early aughts, and both decades were a period of growth for alt-rock, rap and hip-hop, and pop music. While some of the more popular songs didn't exactly reinvent genres or experiment in new ways, they were certainly fun. Whether it was Anna Nalick's soft-rock or one of Enrique Inglesias' slow-dance staples, you might have forgotten some of these tunes. There is no time like the present to listen and remember those texts that, for better or worse, shaped your teenage years. 1 Too Little, Too Late - JoJoLong before Taylor Swift declared that she would never be together with an ex again, JoJo was penning pop break-up hits. Every seventh grader definitely listened to this after a high school break-up, which everyone knows no longer means sitting together in the cafeteria or group dates to the movie. It was hard back then. Memorable Lyrics: I'm going to say this now/Your chance has come and gone/And you know/It's just too little, too late/A little too long/And I can't wait2Just the Girl — The Click FiveAtlantic Records on YouTubeI you forgot, protagonist's love interest in this song runs on 100 attitude proof power. So she's still ambitious after all these years. Memorable lyrics: Because she's bittersweet / She knocks me off from my feet / And I can't help myself // don't want anyone else 3 Closing time - SemisonicIf this one hit wonder doesn't immediately ring a bell, it will ring back to you once the piano notes play. It's everywhere from movie opening credits to the background of your favorite 2000s TV show, and even now it's a hard song to escape. Memorable lyrics: Closing time/Turn the lights up over every boy and every girl/Closing time/One last call for alcohol so finish your whiskey or beer/ Closing time/You don't have to go home but you can't stay here/I know who I want to take me home. 4Big Girls Don't Cry - FergieThis song, which was one of Fergie's first tracks post-Black Eyed Peas, was a slow dance staple. Also, can we talk about what an absolute nostalgia-fest this video is? The Candies product Milo Ventimiglia's fake tats! Which was a time 2006. Memorable texts: texts: I'm going to miss you when a kid misses their blanket/ But I've got to get a move on with my life/ It's time to be a big girl now/ And big girls don't cry 5 I Gotta Feeling – Black Eyed PeasBlackEyedPeasVEVO on YouTubeSpeaking from Fergie, who could forget this super smash hit by the Black Eyed Peas? Back in 2009 this was the number one song to get you pumped for a night out, and if you're not sick of it by the end of that year, now it's time to bring it back. Memorable Lyrics: A feeling, woo-hoo, that tonight's going to be a good night/That tonight's going to be a good night/That tonight's going to be a good, good night6It's going to Be Me — NSYNCDepending on which great boy band of the 2000s was your fave, there might have been a time in your childhood where you knew every word to every single NSYNC song. Although Bye Bye Bye is perhaps the most famous song of the group, this song was just as important to the real fans. Memorable lyrics: Baby, when you finally/Get to love someone/Guess what/It's going to be me7Hand In My Pocket — Alanis MorissetteAlanis Morissette on YouTubeIt's a shame most Alanis songs have now been relegated to background music; It's time to break it out for belting purposes. It's hard to get the singer to sing the most along worthy track, but this one is definitely there. Memorable lyrics: *clears throat* I GOT ONE HAND IN MY POCKET, THE OTHER IS GIVING A HIGH FEEEE-III--VVVVEE8Breathe (2am) — Anna Nalick Admit - this song still makes you emotional in 2017. Nalick's hit ballad lingered for a reason, as it intertwines some sad stories and brings them into a heartfelt chorus. It's the perfect sad pop song. Memorable lyrics: 'Cause you can't jump the track, we're like cars on a cable/And life's like an hourglass, glued to the table/Nobody can find the rewind button, girl/So cradle your head in your handsAnd breathe... just breath / Oh breathe, just breathe 9Hero - Enrique Inglesias EnriqueInglesiasVEVO on YouTubeThis song played at every dance and other school event I went to in high school and high school. So many awkward slow dances were shared to this song. I don't know if I'll ever forget the lyrics, but maybe you did. Memorable Lyrics: I can be your hero baby/I can kiss away the pain/I will stand by you foreverThdent augustana ever found where they went? The chorus of this song traveled throughout the continental United States, and even after all this time, it's hard to forget that trip. Memorable Lyrics: I think I'll go to Boston/I think I was tired/I think I need a new town/To leave this all behind11Irreplaceable — BeyoncéWhile we all bow down Queen B for her last two albums, which are by all metrics masterpieces, you might have forgotten this radio hit from the early aughts. Beyoncé has had so many charts, but this song was absolutely everywhere this year came out. Memorable lyrics: Everything you own in the box to the left/In the closet that's my stuff, yes/If I bought it please don't touch12Hey There Delilah — Plain White T's HollywoodRecordsVEVO on YouTubeThe Plain White T's had a real moment with this song, and it would be their only classic. Despite the one-hit wonder status of the bands, this acoustic ballad was such a success that it may not be completely forgotten. Memorable lyrics: Hey there Delilah/What's it like in New York City?/I'm a thousand miles away/But girl, tonight you look so pretty13American Boy — Estelle Ft. Kanye WestThis song had so many memorable collabs that it's hard to believe it's been lost in the decade. John Legend has a cameo in the video, and a very young Kanye West appears to drop a verse. This cheerful jam was so much fun, and is definitely worth listening to. Memorable Lyrics: Take me on a trip, I'd like to go some day/Take me to New York, I'd love to see LA/I really want to come kick it with you/You'll be my American boyThese songs were total classics.
