MODEL SP-660 Fabric Steam Press Page 2 2 Top Innovations, Inc L ETTER by CEO Dear Customer, Congratulations on buying your new Steam Fabric Type SP-660. This powerful product is designed to give your clothes a professional, wrinkle-free, pressed look without the hassle of using a conventional iron. Activate the Fabric Steam Press and within minutes you are ready to gently remove wrinkles from the garments and restore crisp, long-lasting folds. With a pressure surface that's up to seven times larger than most portable irons, Fabric Steam Press can reduce your ironing time by up to 50%, giving you more free time to do the things that really interest you. When you combine this with features like multiple dry and steam settings, a powerful steam explosion function, variable temperature control, and an automatic deactivation security system, you will find that the Steam Press Fabric is able to do what you need, and much, much more. Top Innovations, Inc. I would like to invite you to take advantage of our customer support on the Web site: www.steamfast.com On this website you will find additional information about many other exciting products available, useful tips on how you can use your Steam Press fabric, and other useful information to help you maximize the power of steam! Enjoy your new SP-660 Fabric Steam Press! Benny Lee President and CEO Top Innovations, Inc. Page 3 SAVE These Guidelines!
