My Choice will allow you to track packages sent through ups. Decide whether you want the free membership or premium membership for \$40 per year. Click the yellow Continue button at the bottom of the membership you want. Once you're on the registration page, fill in your personal details and verify your address. My Choice's free version allows you to track your packages without a tracking number. A premium membership will help you to change the recipient's address and change the date of delivery. 2 Subscribe to Visit the website below and click on Sign in at the top of the page. Type the details you used when you registered your account and click Sign In. 3 Click the Tracking tab on top of the page. Once you sign up, you can view all pending packages by clicking the Tracking tab at the top of the page. This will show you a list of all the packages sent and received by UPS to or from your address. Bottom sentences will associate any packages by using your address to your account so you can track them. 4 Find the package you want to track and click the tracking number link. This will bring you to a new page that will display details about where it was last and where it is now. [1] 1 Sign up for informed delivery on the USPS website. Visit . Fill out the form with your personal information and address. Creating an account gives you access to a variety of USPS tools, including online tracking for select packages you send or receive through USPS. [2] 2 Sign up and go to your dashboard. Click on Follow and manage at the top of the screen, and then scroll down to My USPS. This page is your dashboard and will have a list of all the packages you have received or shipped over the past 2 weeks. [3] USPS will display any packages currently headed to or from the address you used to register your account. 3 Click on the package you want to track. Clicking the package will bring up additional details, including where it currently is, and the post office where the package was last. [4] You can use your dashboard to keep track of a package, even if you no longer have the tracking number, or there is no tracking number associated with the package. 4 Submit a search request if your package is lost. If a package has not been delivered within 7 days of the estimated delivery date, you can submit a search request and USPS is looking for the package. Go to click on Start your missing email search. You must provide the address and recipient's address, the size of the package, and other identifying information. [5] 1 Sign up for FedEx Delivery Driver. Go to . Fill out the form and sign up for a FedEx Delivery Driver account. You will need to provide your personal information and a valid address. [6] To validate your identity, you must enter personal details and answer security questions. [7] 2 Sign in to the portal and find the package you want to track. Once you sign in, visit click Sign in to sign in to the Delivery Manager. You'll be directed to a portal that allows you to track packages that are shipped and received. Check under status for the package you are tracking to determine where it is. [8] When signing up for the can also change the time of day when the shipment will come or turn on delivery notifications. 3 Follow with the door tag number instead of using the delivery driver. The door tag number can be found on your shipping details/shipment and usually starts with a DT and is followed by 12 numbers. This number can be used as an alternative to your tracking number. Visit . Go to the tracking part of the page and type in the door tag number. [9] If you track your office within the U.S., you can also provide a different number known as the FedEx Office number to track your package. This number can also be sent on you.
