Learn more about how to turn on Homes for rent and sale near this school This school is rated below average in school quality compared to other schools in Indiana. Students here make below-average annual academic improvement, ... More of this school has below-average results in how well it serves disadvantaged students, and students perform below-average scores on state tests. Large differences in suspension rates exist in this school, which is worrying. Students at this school are making less academic progress given where they were last year, compared to similar students in the state. Low progress with low test scores means... students start at a low point and fall more and more behind their peers. Parental advice Test scores at this school fall below the state average. This suggests that most students at this school may not perform at grade level. Parental advice Notice that something is missing or confusing? Disadvantaged students in this school may be lagging behind other students in the state, and this school can have significant achievement differences.
