I wanted something big, something to wrap around on these hot summer nights while sitting barefoot on the grass looking at the night sky watching the stars float past. Threads: Stylecraft Classique Cotton 4ply - I used 10 ball in white. However, you may want to have some add-ons. I got 13 blocks from each ball and I had a few yards left, which I saved for the margin. I use Stylecraft Classique Cotton in 4ply as it is simply divine to work with. Classique Cotton is a 100% cotton yarn available in 12 wonderful colors from bright zesty to cool pastels. This super soft thread slips off the hook giving you a great stitch definition.
