How to create wealth by being smarter, not cheaper and directing others to do the same by reading the same from Bill Quain Online Stock Image We use cookies to store your preferences, such as preferred shipping country and currency, to store items placed in your shopping cart to track website visits that are referred by our advertising partners , and to analyze our website traffic. Privacy details This book is read quickly (108 pages), it is simple and repetitive. I like the messages in it, for example, eliminating the middle man when buying what types of businesses thrive, and the author reviewing the techniques that stores use to keep customers inside and buy. These are all valuable messages, and I am glad that I have read them. However, he slipped into the book about a story of his pastor and finished the book by saying that we were all God's children. I think that bring this book is a quick read (108 pages), it is simple and repetitive. I like the messages in it, for example, eliminating the middle man when buying what types of businesses thrive, and the author reviewing the techniques that stores use to keep customers inside and buy. These are all valuable messages, and I am glad that I have read them. However, he slipped into the book about a story of his pastor and finished the book by saying that we were all God's children. I think the author's theology was distracted by the book's message. The book is not about theology, it is about business, by keeping God out of it, everyone was there. But by revising God-themed themes, the book is saluted polytheists, athiests, and perhaps agnostics ... it just wasn't necessary. Perhaps he thinks that slipping into a little religion will buy him a ticket to heaven. Hm. I only give this book 1 star. He has also fast books, but I will not read them, because I do not want him to preach to me his religious beliefs; my beliefs in this regard are mine alone, and I do not want to hear his. ... More...
