I had a dream when i was seven lyrics

Read more than 8 million words to dream I had a dream, a dream, a dream sometimes it seems the world is getting you sometimes it seems a friend can't be found and your lost in despair without a bow inside but sometimes you find your dreams can really come true If you believe it can just happen to you how I bless the day you came, you did everything better I had a dream that you'd always love me, I had a dream that you'd always be there, I made up a wish for the stars above me, that you wouldn't stay in my heart, I had a dream Sometimes you think your best is never enough Sometimes the world you choose is lonely and tough and you're looking for the arrogance that just isn't around but then there's a dream, but then there's a dream, times when all things will go your way every day of the week feel like a holiday Give me your heart , for eternity I love you forever I had a dream that will always love me I had a dream that will always be there I wanted a wish for the stars above me that will always be there I made up a wish for the stars above that you will stay away in my heart I had a dream when all my hope was out of sight you came and matched oh, how do I thank my lucky star dream, dream, A dream, a dream you'll always love me, I had a dream that would always be there. I made up a wish for the stars that Meli, that you would be there, stay in my heart, I had a dream that you would always love me, I had a dream that you would always be there, a wish for the stars above that you would stay in my heart I had a dream that I would always love me I had a dream that would always be there I made it clear wish to the stars above me that you would stay in my heart I had a dream [DJ Screw it goes down] [Chorus - Chamillionaire] (DJ Borg) , north and south there was no Mo plex and Houston was the place to be (it's going down), standing taller so leave a dream and a memory (it goes down), DJ Borg's got to show respect so putting you lighters in the sky with me (it's going down) R.I.P. That's what said [verse] I had a dream I said, about whom, God said Dirty South went nationally because of DJ Borg, I said is it true? , God said, yes it's true I get done flowing, and plan to destroy because DJ Borg I fed but don't be misguided, you're the reason we get bread please tell him when I get to heaven it's going to be an honor is the reason we get chees, don't have to be in, The music yeah helped a lot of Southern families get food they won't say what I just said (why?), because some of these guys were scared (oh) just trying to get to know and put it in those heads I see, I said, so do, God said he's glad the North and South E.O.E.E.X'd I agree, I said R.I.P., I said rest in peace to legend Borg and P.A.T. I said I'm still jam music ya, I won't let anyone abuse him can't do it, another fool if he thinks he's the most real because you were the first to screw it up, you control it but I'm a student I'm new to the things you started, but I'll do it until I've made it live after I lose it Go talk to the streets and they'll tell you you respect the game , Rest in Peace [Choir - Chamillionaire] (DJ Screw) Last night I had a dream, In the north and south there was no Mo plex and Houston was the place to be (it's going down), standing taller so leave a dream and memory (it goes down), DJ Borg's got to show respect so putting you lighters in the sky with me (it's going down) R.I.P. That's what said [DJ Borg plugin] DJ Borg, slow down putting in work all over H-Town saw me in the ring drinking Codeine Gat on my lap put haters on the beam My Southside 4 Life Is What I Claim Is What I Stand For Is Where I Hang a Hand on the Trigger Pockets Get Bigger Pressure A.W. (Echo of Out) [Friends and Family Who Sent DJ Borg Messages] Yes, This Is Big Toom, Pressure Represents, Damn I Love You, See You When I Get There Man Oh Yes, It's H.A.W.K., Souja 4 Life , I want to send my Condolenses out DJ Borg, Robert Davis oh and his family, and oh he'll rest in peace yes it's G I'll keep it, for the striker who slowed down THE BORG DJ comfortable in peace, wimp on it, damn it, put it for my son Borg, we're going to do it together, we're going to hold it together, rest in peace yes Wussup it's the fat rat with the lil O cheese and I just want to send my Condolens out to knock and his whole family Everyone who loved him and I just want to know that if everyone understands what this man stands for, he was a champion for H-Town representing this resistance to the fullest, and he always soned to take us to the next level, to take us to the front so that everyone knows that we will not only lose no jewel, we will not only lose an earring, we have lost a champion man fighting for the city man, may God rest in peace. This LD man, you know what I'm saying, and Adam, you know what I'm saying, keep the flame going to my brother and we're going to represent the fullest man, always keep it in your ears, man knows what I'm saying, which would want everyone to do now, man, hold your head and get on with it, and keep it rehabilitating for you man dreams.Super(s): Gen. Jack Dupree had a dream last night It was black and white and it smelled like gasoline we were standing in the corner holding you tight I kissed your mouth until my head lighted up last night when I had a dream last night I had a dream that birds flew right and nights through the light of a movie screen everyone was looking for something to do I even thought I had a chance with you last night when I had a dream do you like this song? Man, you know one thing I always dream of... yes, and that's the only thing in the world where a hard-working person does, you know, yes, you should see Sigmund Freud. yes, you know, it's bad, you know because you never dream of anything nice. I don't know what you're dreaming of, but I know that when I go to sleep I dream of old cart wheels, old wagons, a broken old Chihuahua in flat attire. I never dreamed of a beautiful woman or a woman walking around naked or anything, I can't dream them together, you know. Too hard work, you know. Not a hardworking man's dream. No, no, I didn't have a dream, and what a dream was in my head. I had a dream, a dream was in my head God I said to myself, how can a hard working person dream all the time? Well, I dream that my wife had 10 babies, and every one of them looks like me. (Sinful world!) yes, I dream that my wife had 10 babies, and every one of them looks like me I know they were mine, man, I know that (in a dream you meant!) but when I woke up this morning, not a baby, I didn't see well I dreamt I got married, I married a millionaire boy I was in the money, right? (Millionaire!) yes, I dream I got married, I married a millionaire She took me to a bank She said, Jack Dupree, all your money's there! But I flipped in my bed and took my pillow and put it on my head yes, flipped in my bed, grabbed my pillow and put it on my head because it was the worst dream I didn't have for a second I thought I was dead to wake me up, this song is from the album Les Incontournables. Read more than 8 million words I had a dream I fell yes no, I didn't have a dream I fell (dream I fell), no one had my back (no one had my back, no one) I woke up I was reading (I read), oh yes no one called back (no one called back) Oh no no, oh, why, why chase the fact that I'm not as strong as what I thought I took a few steps into the room where I broke down because all my fears and all My doubts are pushing, we didn't let them out but at the moment, but right now I had a dream that I was falling (a dream I fell) no one had my back (no one had my back) I woke up I was reading (I'm reading), oh why no one called back (no one called back) hoo-oh- oh, oh why, oh why think about the fact I avoid it if it's not love looking at the view and all I see is that I'm not enough but all my fears and all my doubts are pushing, I wouldn't let them out but right now, but right now I had a dream that I was falling (a dream I fell), mm no one had my back (nobody had my back, nobody) I woke up I called (I woke up, I called) nobody called back (nobody called back) Oh Oh, oh why I had a dream I was falling (dream I'm falling), oh no one had my back (no one had my back, no one) I woke up I was reading (I'm reading), oh no one called back (nobody called back) Oh, oh, oi, o why, why did I have a dream What a wonderful dream I dreamed we were all happy in oz's land Why did everyone laugh when I told them my dream? I guess everyone was so far away from that scene feeling really mean that I heard a song last night what a beautiful song it was I thought would hum it all night unforgettable because. All the actors played together and all the joys were as easy as feather see, your love remembers she's crisp of soul but as I remember, the rest will just go after I had a dream last night What a beautiful dream it was I dreamed we were all ok happy in the land of Oz What a beautiful dream it was Joss Stone I had a dream
