Home / Scripture / Encounter Ancient Voices, Second Edition Full of useful information, clearly and cleverly presented, Encounter Ancient Sounds is a wonderful tool around which to build an introductory class in the Hebrew Bible. I believe that this is the most useful and attractive among the introductions already designated. Finally, Professor Carvalho has a great sense of humor that makes the book fun. Professor of the Hebrew Bible University of St. Paul, MN Encountering ancient voices is an invaluable contributor to university biblical studies, especially students who study the Bible as part of the core curriculum. The book's format is extremely useful, especially for discussions on biblical passages, but also for maps, sidebars, overviews, and summaries. The writing style is appealing: I find students regularly interacting with Carvalho, whom I consider something of a co-teacher of the course. I appreciate the wide range of debates in Carvalho, particularly on biblical methods, topics or issues, as well as current issues related to biblical interpretation or specific texts. This book has helped me do my best to teach this course. Evelyn R. Thibaux, Ph.D. Loyola Institute of The Ministry of Loyola University in New Orleans Carvalho's text contains everything I want on content and material issues, and it provides wonderful guided readings of many biblical texts. The students responded very well to it; appreciate the insight it provides and the things it brings to awareness that has never been noticed before. I have used several different texts since I started teaching the new History and Literature in the Old Testament course, but I haven't used the same for more than a semester. Now I think I've found the book I'm going to stick to! Associate Professor of Religion at Anderson University Many of my students express how much they enjoy reading this book. At the same time, it fills us with new interpretive insights, through which the author leads us through in such an inviting way. The book, combined with state-of-the-art scholarship and ecumenic sensibility, is truly a remarkable achievement. Professor of the Hebrew Bible at Williams, President of Biblical Studies Methodist Theological School of Ohio [First Edition] This work is the greatest strength of the combination of a sophisticated approach to biblical text and a style and format that will appeal to college students. The work at the heart of the biblical text itself is admirable, and the author managed to put together a solid foundation for a modern biblical scholarship to make sure he feels for his intended audience. [First Edition] This seems like a real winner. I can't wait to try it with my students. The scholarship for this manuscript is far away, that sound. What this author shares with his audience is the best of the last scholarship. And this is explained so clearly... In a few words, the author gives students access to the ancient Middle Eastern world and the world of the Bible. . . . It will help students understand what they read in the Bible (but they still need to do it and want to read the Bible). St. Catherine's College, MN 2. The Patriarchs and Matriarchs Genesis at a glance The story behind the story Of the World of Genesis 12-50 Abraham and Sarah Summary: Who are Abraham and Sarah? The Patriarchs, continuing with Isaac, Jákób, and Joseph Summary: God and the Founders 3. Exodus What is the Book of Exodus? Reading Exodus Summary: God the Liberator 4. The Sinai Alliance reading the law is a contemporary lens reading of the law Summary: Holiness, Loyalty, and Love Review: The Veil of Tears 5. Conquest and Confusion: Joshua and the Judges of doomed history stories of victory and failure Summary: The Rhetorical Force of Deuteronomistic History 6. The Rise of the Monarchy: 1 and 2 Samuel, whether there is a king or not to the King: This question stories the United Monarchy Summary: The King as the Father of the Nation 7. The Politics of the Monarchy The Nation of Israel The Politics of the Monarchy: Reading the Book of Kings Summary: The Failed History Revisited 8. Israelites Poetry: Psalms and Song of Songs Israelites Poetry The Psalm Song of Songs Summary: God Present Joy and Suffering 9. The prophets of the divided monarchy are defining prophets reading the prophets: The Elijah Stories reading prophetic books summary: Prophets then and now 10. Judah stands alone isaiah: Fitting Aysyria with God's Plan Micah: The Prophet Moresheh Summary: Chastisement as the Creed 11. Why, sir? The Literature of exiled Jeremiah: Siege and Destruction lament ezekiel: Watching the Whirlwind Summary: Great Loss, Great God Review: The Second Temple Period 12. Restoring the nation is a chance to set things up with better texts from the restoration stories of the Restoration: Chronicles, Ezra, and Nehemiah's Rewriting History, imagining the future of the 13th century. The Wise Men behold, the whole creation where wisdom is found? The wisdom of creation is a summary; the wisdom of God's creation 14. A Nice Little Story The Storyteller's Stories: A True Woman Jonah: The Reluctant Prophet Esther: Queen of Persia Tobit: The Afflicted Judith: The Warrior 15. The Orchestra of Voices Unity and Diversity in Scripture's Introduction to Counter Melodies Elements of Apocalyptic Summary: Theodicy, Despair, and Hope Epilogue Cracking Open a Familiar Book What Have I Learned? Reading the Christian Community Vocaease Appendix: Maps Discussions of Biblical Texts canonical Order The new second edition of Corrine Carvalho is widely popular Text maintains the features, pedagogy, and engaging style that makes the first edition so effective and successful, while adding a new element that makes it accessible to even more students than ever before. The tone of the text is inclusive and does not explicitly assume a Christian or religious reader; there is a new key to the biblical texts discussed in the book, listed in canonical order in the first issue of the book; and the style of the book brings the stories of the Old Testament to life for students. Flexible, understandable and full of reliable pedagogy – chapter overviews and summaries; guided readings of the most important biblical texts; and unique sidebars focusing on different aspects, themes, and methods of interpreting biblical text --Encounter Ancient Voicessparks students' interest in theological issues by linking their queries to the everyday world. With a focus on reading strategies and active learning techniques throughout, this is an approach that empowers students to read the Old Testament on their own.
