**Te amo mi esposa bella**

Although there are countless jokes about marriage, the truth is that when we have maturity and carry with harmony, loyalty and responsibility for such a relationship, the results are excellent. These expressions of love for my wife or husband, dedicated to those men who value marriage and help every day have shown a suitable place for my wife and help to grow up at home. It is appropriate to remember your partner, we go these phrases for my wife or husband who always dedicates it. The expressions of love for my wife or my heart husband loves everything that is yours, walking, your smile, your words and more than anything all your way of being. We're husbands who have best friends and share everything we have, all for my wife. I see the escape behind cigarette smoke velots that slowly expire between my fingers. for my wife . However, printed, your fingerprints are on memory as a wound that bleeds inside, similar to the pain that burns in my arteries, like a spine that hurts and hurts. Because you always live in me as: dreams come true, note torn from ropes, music immersed in a poem, the fantasy of a story, as he calls that revives the heart, for in you I found life. You're the reason I existed, my

magic world, every moment you run away, you're just a sketch, that couldn't see the light leaving me in doubt. Did the dream come true? Or dream reality? For my wife, this heart is full of beautiful words with great affection, my wife who always gives me happier days thanks to her events, sacrifices and words. I love you my wife, I want you more day by day, I feel like they're dancing in the air of romantic words that I want to share with you. The best thing I want to say with a few words inspired by you, my beloved husband, and most of all in the world I love it. To my husband, on the day I dedicate you to a wish you will never forget and keep in mind that is the most precious gift God gave me. In life affection is the most important thing and not because they say that, but because sharing alongside a man is as lovely as my darling husband. One day Fate would message me, whisper your name to me and warn me that you would be my beloved husband and the father I gave to my children. You may be happy in our world apart, that words of affection will always take the space that separates us and as a husband you will be made in your ashtiy. Thank you to my husband, I know very much that I owe you, especially the kindness you gave me and this has been proven in my mind and soul. They're not burnt words, they're simply messages trying to lighten your heart because you've been my beautiful husband, my partner and my friend and you deserve the best. My dear husband, more than one man was given to me by God of a existence Especially with who to share everything and grow in a certain way, so thanks with my beautiful messages. I love the day your eyes noticed my presence, because it was the beginning of me changing my course. How loving my husband is, but the feeling that has been produced I feel is eternal and sacred. I love you, my husband and with sweet words I just want to sweeten your day, which will be happy all the time alongside the person who loves you the most. My husband, my beloved, my being, the reason I'm happy, the reason I see life every morning, the messages of light in every awakening. A little card, a few little messages dedicated to you, husband, that I need you to feel my honest kisses on your cheek right now. Dear husband, if every word that could exist forever always spoke of you, just because you bed wife of my soul. because you love my foleys because i love your morning . It's my safety, it's my light, it's the reason I exist. I'm proud of my husband, he makes me happy and he trusted me to be like this forever. Thank you for your commitment, your dedication to our home, my husband, my sincere affection. If I didn't have your unconditional support, I wouldn't have been able to handle any hardship. To my husband: I'd like to be with you, to see near me, to know that you are doing it. I love you, you shine in my life, that before and after, you're everything I've ever dreamed of. Every day is more beautiful than the last one, because I have my husband by my side all the time. How beautiful things are, since I can start the day with you and finish it. I knew one day I'd call you: my husband and today what pride is like that. i love you so much , and my biggest concern is that youre as happy as i am . My house is anywhere on the planet where I am with my adored husband. I feel like I wasn't alone, and now on your side: we're everything. I'd like to see if you're always trying to show your best version, don't be discouraged. I'm a happy woman, from a great man, from a perfect husband. She's my husband who owes my wish to smile every morning, even if we change, even if we've been through for years, our relationship will remain intact. Although we don't understand each other and fight often, there's no doubt about anything: we love each other. I want the best for my husband because he made me a thousand percent better than my husband, I fell in love very easily and it's very special, he falls in love with me every day. The expressions of love for my wife or husband I love this is my wife that I love, a couple of my life, which makes me happy, which inspires messages that re-appear from someone who has been waiting for you for so long. For you, honey, god put my couple on the road. Thanks for this time together my day is complete. Life is today and you have to say what I feel best about this being with that beautiful guy like you , my beloved wife . I'm sorry I don't answer you often, but you know my heart is yours and we'll be friends with my wife, my feelings, to that woman, my best feeling, to reach the soul and therefore to be eternal by my side. Away from me, but nothing prevents me from being here by your side, so it's with verses reminding you that I love you, my wife. Expressions of love for my wife or husband who is away from my wife, happy woman needing nothing more than being with you, and we will soon solve it, while a few beautiful words will repeat to you and say how much I love you. I will always have something to say to my partner, words that fill his heart with love and the heart feels relaxed, because I know we will be happy together. To my darling the best beautiful words you have earned and created with my sincere thoughts. You, the one I feel in my soul, who came to me and changed the bad well. Thank you, darling. Days with messages in the clouds, I will always remember my lover's nights, I can never forget because they come from you. Life can be summed up by frivolous things, and at this moment existence is just love, because with you, my wife, I'm happy. For my dear husband, it separated our circumstances and these romantic words, we have evidence that determining staying together and fighting for something better is strong. I want to make you happy, even when you're away, to get some words of affection, to remind you how much we love you, like a wonderful husband and an exemplary father. With words of passion I wish you would just have your thought on me, not the same without you, here I will be waiting for my husband. Father, partner, husband, we're gonna miss you at any moment, and that's why we're going to give you an infinite hug, my husband. the day you left , it became very difficult , but i know a better world will open up than it is today . I feel like we can keep that connection that keeps us together, I love you, baby, every time I think so much, it's worse for this time and this distance every day, I miss me and I just keep my affection for my husband. Love phrases for my wife or husband are short and cute: free breathing, free smiling is free, free is a dream, but sometimes we don't understand that valuable things don't cost money, but they're joyful just like the one I have with you. I know how lucky I was with you. I adore you, thank you for offering me my way in a different way, to be popular and enjoy each other. I love the day I met you, I love the day you accepted me, but I want the whole time left for me and my wife. Honey, you're always gonna be that woman. I want to be the best husband, that's my thinking and my life plan. The messages I love, that's what I can dedictize to you, since my heart belongs to you, thank you, I feel like I'm a renewed person, in your love, and in you I found my light, peace and joy im imm sizeless, my beauty. Existence has discovered to me that your love has been god's blessing, day by day, and even more. For my dear wife, I ask God to grant him great power, energy, faith and hope. I want to give my beautiful wife heaven and stars and everything I can offer you because I consider the woman great. You, my days, you, the best feeling, the woman who brought me God and destiny. Thank you, darling, for being here every day. This moment, I feel the energy to my advantage, with a wonderful couple like you who take me into my sweet reality life. This is how God loves me into this world's sweetest, you own my thoughts and exercise all my existence. We are a very happy couple, who may be alone with you cute me. To my beloved with simple words, I love you, I love you, you're the woman I love, with you forever. Thank you to the best woman full of affection, I feel the divine blessing that I always want to enjoy. My sorrows had definitely gone on the most beautiful day in my personal history, and you set the tone for my happy destiny as the woman I was looking for. Only the honest words that sit in the spirit are valuable to my wife, who is my partner, and I give those to you dear. I love this day and whatever happened to you, you will always be the best woman full of love for me. Our creator put on a beautiful flower and gave it to me as a couple, I want to take care of her so she stays beautiful all the time. I love you my wife or husband, I love you very much and I do it every day because you are the best thing that has ever happened to me. This and every day, for my beloved wife, because together I feel the whole person with a happy heart. youre the woman i will always love because youre the wife and mother of my children . Thank you dear for me you will direction my thoughts and let me not imagine the best version of my life that I have as wonderful woman stopping you to message my love for darling. I was happy with you, and fate rewarded me with a beautiful woman like you, and I deddies these messages of love to my wife or husband.
