Fujimi Shobo has published seventeen volumes since July 2014 under its brand Fujimi Fantasia Bunko. A manga adaptation with art by Aosa Tsunemi began serialization in Kadokawa Shoten's manga magazine Shōnen, Monthly Shōnen Ace, as of March 26, 2015, and was collected in fourteen tank volumes. An adaptation of a Liden Films anime series aired from April to June 2017. Synopsis Sistine Fibel and her best friend Rumia Tingel are students of a prestigious magical academy, where Sistine hopes to be trained by the best to unravel the secrets of the mysterious Castle of Heaven, according to her grandfather's last wish. When his favorite instructor suddenly retired, his replacement Glenn Radars is anything but what Sistine expected. The Bastard Magic Instructor (IMC) seems to be lazy, incompetent, and not so skilled at magic. He's not a certified teacher and he doesn't have a high grade in the guild. What they don't know is that he is hiding his power and that he is a former assassin of the Imperial Court's Body of Wizards with a repentant past that is suffering from severe depression. In episode 2 there is an attack on the school by the previous instructor, and bmi is forced to show its true powers. Sistine is perplexed, for she misjudged him as incompetent. As BMI students pull him out of his depression, he finds meaning in teaching activity. This whole season is complete with a promise of hectic things to come. The topics that are addressed are depression friendship, relationships, adoption, brothers, following the dream, search for power and more. Characters Glenn Radars ($0 \lor 0 \lor -$), Guren Rēdasu) Voiced by: Sōma Saitō[2] (Japanese); Josh Grelle[3] (English) Glenn is lazy, and constantly bored by everything, with his main focus being sleeping. He becomes the substitute teacher in Sistine's class after the retirement of his favorite teacher. Although he may seem incompetent, he is actually very skilled in magic, but not in the traditional sense. Glenn used to be as passionate about magic as Sistine, but was disillusioned by this due to the death of his ex-partner Sara Silvers and his past as the infamous military assassin known as The Fool. He developed his own kind of magic, called The World of Fools which denies the activation of all magic within a certain radius, including his own. However, this does not nullify spells that have already been cast. While nullifying the magic of enemies, he then beats them using superior hand-to-hand combat skills. He cannot use the magic of combat coherently due to her being far from his area of expertise, but he has a deep understanding of the concept of all kinds of magic, which makes him a good instructor. This also puts him in conflict with traditional teachers who favor rote memorization. Sistine Fibel (O, Shisutīna Fīberu) Voiced by: Akane Fujita[2] (Japanese); Rachael Messer[3] Sistine greatly admires magic and wishes to discover the secret of the Flying Castle, which no one knows. She maintains strict and senseless behavior everywhere, and often scolds Glenn for his uneven attitude. She initially hates Glenn, believing him to be as incompetent as he seemed due to his lack of enthusiasm. When he actually begins to do his job, however, she reluctantly begins to respect Glenn as a highly effective. teacher. His personality and appearance resembles Sara Silvers, whom Glenn was very close to. As the series progresses, it seems that Sistine has developed feelings for Glenn, but is too shy to talk about them. She is called Sisti by her sister Rumia, and Punchie (for her quick magic moves) and White Cat (for her hair style) by Glenn. Rumia Tingel (000, Rumia Tinjeru) Voiced by: Yume Miyamoto [2] (Japanese); Monica Rial[4] Rumia is Sistine's father adopted her after she was the only survivor of an attack by evil wizards. She is close to Glenn, who often treats her well, in contrast to the provocation Sistine faces from him. Rumia's true identity is Princess Ermian, the cursed princess who should have died three years ago. She remembered Glenn being the infamous killer named The Fool who saved her life and that's why she liked him from the beginning. Rumia a high level of essence, as well as a unique skill known as Amplifier, which, as the name suggests, amplifies its spiritual essence. Re=L Rayford ($\mathcal{O} \lor \mathcal{O}$, Ryieru Reifōdo) Voiced by: Ari Ozawa[5] (Japanese); Leah Clark[4] Re=L is a glutthonous girl with a stoic expression. She is known as The Carriage, being highly gualified in creating giant swords through alchemy. She is an artificial human, a product of Project: Revive Life, also known as Project Re=L which was led by Sion Rayford, the older brother of the girl from whom Re=L derives her appearance and memory. When Glenn and Albert closed the project, they adopted it for the military. She didn't know her true origins until later in the series. When she discovers the truth and comes to accept it, she decides to live because of Glenn. Celica Arfonia (OVO, Serika Arufonea) Voiced by: Eri Kitamura[5] (Japanese); Morgan Garrett[3] (English) Celica is an immortal magician and teacher at the academy. She adopted and learned Glenn very young and as such she puts up a recommendation for him to be the substitute teacher, although his profile suggests that he is unable to work. She forces Glenn to accept the job against his will, hopeful that he can give fulfillment to his life. She's a legendary retired judge. Albert Frazer (ののレの, Aruberuto Fureizā) Voiced by: Hiroki Takahashi[5] (Japanese); Austin Tindle[4] (English) A long-haired military magician with sharp eyes who is known as The Star. He is a partner of Re=L and another former colleague of Glenn's, whose help he occasionally enlists for military operations. He cares about his colleagues, but does not easily reveal or share these feelings aloud. Elenoa Sharlet ($0 \nu - e = -esia \nu a$ shareto) Voiced by: Yōko Hikasa[5] (Japanese); Amanda Gish (English) Voiced by: Sophie FRISON (French); Raquel Masuet (Portuguese) A highly qualified servant of the Notorious Criminal Association secretly destined for the murder associated with Queen Alicia VII and Rumia Tingel. The association she serves has been notified as a group of outlaw people seeking perverse intentions for the most evil purposes against the peaceful life of all people, especially their illegal and irregular purposes are deeply linked to the misuse of akashic records for destructive and terrible desire, according to top military authorities. Sara Silvers ($\mathcal{OO}=\mathcal{O}\mathcal{OO}$, Sera Shiruvāsu) Voiced by: Minako Kotobuki[5] (Japanese); Alexis Tipton[3] Sara was a member of the Imperial Court Mage Corps and held the #3, The Empress and former partner of Glenn Radars. Little is known about his past. She was very good friends with Glenn, being her only reason to stay in the Imperial Corps. She died from an attack by the hands of angel dust. According to Glenn, she was a cheerful and ebuliente person, and is often noticed to look like Glenn's student, Sistine is called the White Cat. Eve Ignite ($\mathcal{OO}=\mathcal{O}$, Ivu Igunaito) She is Glenn's superior and manager of the Imperial Corps of Magi. In the past, she did not send reinforcements to Glenn and Sara, which in turn caused Sara's death. In the 7th volume, she met Glenn again and told him that all his opinions are right. She was later saved by Glenn in the battle with Jatice and acts as a tsundere around her. In the 11th volume, she is an instructor and works with Glenn. She shows some affection for Glenn, but tries to hide them. Arishia Nana-sei is the ruler of the Alzano Empire and biological mother of Rumia Tingel. She is a beautiful mature woman with long daffodil blonde hair and eyebrows that are usually tied in a coe and aquatic blue eyes. She usually wears a long royal red dress with a golden line that goes to the middle of the chest to the stomach. In addition, she wears two necklaces (one of the necklaces she wears has a pendant similar to Rumia's) and a gold-colored choker. She is shown to love and care a lot for her daughter. She feels guilty about having to abandon her daughter, as seen when Rumia pushed her away and she was seen wishing the latter to accept her again. Alicia III () She is the ancestor of Alicia VII and new principal of the school where Glenn, Celica and Eva work as instructors. She was gueen of the Alzano Empire, and also contributed to the development of the Alzano Magic Academy as a founding member and first director. Her main concerns were relatively associated magical archaeology, however she went mad by secrecy behind the historical mystery of the Empire. In the history of the empire's loyal family, she is the wisest person, though she was surrounded by several cursed and fearful rumors that created her image as the owner of cursed blood on the loyal family members. She warns Glenn not to use the backyard library as a battlefield. Media Light Novels No. Release date isbn 1Anata no Shitteru Sono Majutsu wa, Honmonodesu ka? (あなたの知ってるその魔術は、ホンモノですか?)
