[2] Alpha Kappa Delta Phi is part of the national APIDA Panhellenic Association (NAPA), whose lease it helped lease in 2006. Alpha Kappa Delta Phi currently has 60 chapters in North America and is the only Asian-American sorority of interests in the United States and Canada. History alpha Kappa Delta Phi was founded at the University of California in the fall of 1989 and recognized by the College Panhellenic Association on February 7, 1990. There were 14 founding sisters: Betty Chu, Karin Co, Susan Kim, Nancy Lee, Sherri Leung, Annie Loo, Belinda Ma, Anita Ng, Serene Ngin, Fannie Pon, Josie Sun, Daisy Wu, Jill Yoshimura and Reina Yuan, and they dedicated themselves to establishing a sorority that would offer Asian-American women the opportunity to participate in the Greek system while establishing an organization that endures as a strong tradition. [2] In autumn 2002, the National Alumni Board was established under the guidance of Sophia Yen, Chair of the Alumnae Board, to oversee the expansion and growth of the sorority alumnus. For the years 2002–2003, the National Alumni Board wanted a strongly functioning organisation that would provide programs and services to all alumni. This idea later flourished to form a national alumni association. After a real grassroots start, the National Alumnae Board's original activities focused on creating a mentoring program that would drive rich learning and development for both mentors and mentors. The success of the mentoring initiative led to an increase in the scholarship programme, which would provide financial support to the sisters to promote their education. Over the years, the National Alumni Board has proudly sponsored many programs to promote our alumni to help alumni pursue their dreams, passions and heritage. So far, the National Alumni Association continues to stick to its purpose: to continue sisterhood after graduation. Therefore, it remains a leading means for our alumnus to connect with each other and express his timeless affection and eternal devotion to alpha Kappa Delta Ph. [2] Asian Consciousness Alfa Kappa Delta Phi promotes Asian consciousness, which is one of its fundamental principles, encouraging its members to be constantly aware of Asian-American issues and to be involved in their communities. The chapters host events such as forums, presentations and workshops. Many of these events take place during May, which is Asia-Pacific American Heritage Month. In 2006, the sorority raised more than \$30,000 as a national breast cancer awareness organization. [citation required] In 2008, the sorority raised and donated more than \$35,000. [citation required] In 2012, the sorority raised and donated more than \$62,000. [6] In 2016, the sorority raised and donated more than \$102,000, hitting half a million marks in the total amount of dollar donated to avon's breast cancer cross trip since their partnership began in 2010.
