Check out the Unicorn SportCraft 68018 user guide online or download it. Manual 18 pages. Electronic dartboard.. Looking for replacement parts for Sportcraft games? Find the model below or simply search for it at the top! Do not forget that we also have manuals and installations of most models to help with the repair.. Darts is a popular pub game that involves players or teams alternately throwing darts on a circular board. Electronic dart boards are a great option for those who play darts at home. Each player throws three darts on a board, which is divided into 20 slices, four zones for each slice, and a two-level direct hit in the center. Electronic boards not only contain plastic or rubber-tipped darts - which don't get stuck in the wall like pointed darts or pose a potential threat to children - but can automatically keep the score. Determine where the throwing line will be located, which is usually 7 feet 91/4 inches from the face of the board. Mark the line with tape if necessary, or simply make it clear where you are before the game. Turn on the dartboard and choose the game or mode you want to play. How do I get to the net and scoring to fit tightly? Table tennis instruction manual - Sportcraft Air Hockey Table tennis manual manual table tennis Table tennis table gets free shipping?. How to Understand Electronic Dart Games - YouTube April 12, 2011. There have been times when pub and bar games have been good. Well look no further than this guide from How To Understand Electronic Dart Games.. I recently lost the manual for my electronic dartboard. Well it just happens that the ten billion built-in darts games become positively useless if you can't match a cryptic numeric code with a set of rules. No problem, I say I just hop online and download from the manufacturer. Well, this seems to be the problem, as Halex's parent company recently acquired and took down the old support page with PDF instruction manual downloads. Mad Internets Powers the Rescue: After many searches, I was able to find old manuals thanks to.
