DragonVale MOD APK (Free Shopping) – Dragon species from the past to the present have always been known as a mysterious animal, carrying within themselves the power and incarnation of holy saints. If you ever watch dragon movies like Erogen or Dragon World, you're no stranger to this divine creature. What if one day you can raise and control dragons? That idea will come true in this game. Table of Contents [Show/Hide]If I'm talking about a farm game, a lot of people will think of Hayday. But if it's a dragon city, DragonVale is a game you can't overlook. After years of presence in the mobile gaming market, backflip Studios' product has achieved more than 10 million downloads on Google Play. Build its own valley of dragons! It is right, a valley dedicated to dragons. Your mission is to build a living room for dragons, from there to grow and turn them into your pets. Players can design, decorate and expand their own valley. Fun decorations are always available in the store or can be unlocked after completing a task. In addition, in order to meet the needs of territorial expansion, the game is also added to the feature of exploring new lands. So far, DragonVale has 280 items with 27 lands. Over 500 dragons and 7 elements to discover! Insert a world with only dragons, players will be able to discover and create their own children. Divided into 7 basic attributes, including Earth, Fire, Water, Ice, Metal, Wind and Natural, each element has different requirements for nurturing and habitats. DragonVale offers players many options to select specific elements as well as the structure of the city they aspire to. 502 is the exact number of dragons in the game, 174 of which are elemental dragons, 169 special dragons and 182 epic species that promise to bring players interesting experiences. Create rare dragons with playback features! In addition to the basic elements mentioned above, players can completely create other species through the playback feature. Two dragons, whether or not they have the same elements, can be laid on breeding if they mature enough. The interesting thing about this feature is that you can't know exactly which dragon you're going to receive until the dragon eggs hatch. Some fun activities! Upon reach the required level, players can participate in the dragon race. People who raise dragons around the world will bring their best dragon races to compete with other players. Gaining a high position in the race brings many attractive gifts for dragon trainers, including gems and diamonds. These gems will be used during dragon breeding to the probability of creating rare high dragons. In addition, DragonVale knows how to satisfy players by constantly opening up events large and small, creating opportunities for players to earn more valuable items. New Year's Eve festivals such as summer holidays or Christmas Day are always a must-see if you want to have precious objects. As a free game, DragonVale has still paid service packs for players who want to experience more of the game's features. Eye-catching graphics! No having a good quality graphics platform like Dragon City, however, DragonVale remains relatively eye-catching by the image design department. Dragon has impressed players with harmony colors in the game. You will be excited to create extremely cool and cute dragons. In addition, the smooth and animated game sound will certainly give players the most relaxing moments.
